Announcement

Request for submission of Interest

The International Solar Alliance (ISA) is inviting think tanks and consulting firms of international repute to support the work for ISA in the following two key areas:

- **Deepen ISA's Strategy and Plans; and**
- **Provide Analytical and Execution Capacity**

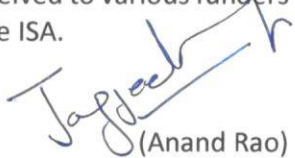

Indicative issues covered under above two key areas include:

- a) Prepare a roadmap for mobilizing 1000 billion USD by 2030 to realize ISA's objective.
- b) Preparing strategy for harmonization and aggregation of demand, risk and resources in ISA countries in Programme related areas;
- c) Facilitating access to credit and equity to member countries, including country wise analysis strategy;
- d) Preparing ISA platform for patents, technology trade, public domain technologies, and expert guidance to member countries;
- e) Preparing strategy to get universal membership, including a country wise analysis;
- f) Preparing strategy for resource mobilization for ISA's financial sustainability and building up of a USD 1000 Million Corpus;
- g) Preparing Programme wise implementation Plan;
- h) Preparing roadmap for STAR-C and Infopedia, including country counters for Infopedia.
- i) Preparing strategy for strengthening the role of NFPs;
- j) Revamping the communications policy to have 1 Million visitors to the ISA's webpage, twitter, facebook, etc;
- k) Assessing aggregate effects of the Programmes for 2018-2019;
- l) Preparing an innovation strategy of ISA;
- m) Preparing solar investment index and solar intelligence reports for Members;
- n) Preparing a IT Roadmap for the ISA, including for webpage upgradation; and
- o) Any other area/innovative area which a think tank or organization can propose.

If you are a think tank or a consulting firm of international repute and you think you can provide support to the ISA on the above areas or related areas, kindly submit your interest to Director (HR & Coord), email: anandrao@isolaralliance.org; ISA, by 21 Feb, 2019 (12 midnight IST).

The ISA will forward first five complete interest submissions received to various funders for procuring the services of a think tank/consulting firm to support the ISA.
