Corrigendum

This corrigendum is hereby issued for the Expression of Interest (Eoi) No. 23/32/2017/GlobalTender/R&D(ISA)/Volume-2 dated 26th July 2018. This Eoi has been issued by the Secretariat of International Solar Alliance for inviting offers on Swiss Challenge basis from companies/organisations similar to M/s Energy Efficiency Services Ltd.(EESL), in Public Sector from “**ISA Member Countries**” for engaging them for following services, on better Commercial Terms and Conditions for the same work, over and above as offered by EESL:

- i. Phase I - Providing Services for Conducting ICB on behalf of ISA.
- ii. Phase II - Provide Services as *Project Management Consultant (PMC)* for implementing *Scaling Solar Applications for Agricultural Use (SSAAU)* across ISA member countries.

“**ISA Member Countries**” may be read as “**any UN Member Country**”.

Rest of the content of the said Eoi shall remain same.
