ISA NFP Conclave 2017

International Solar Alliance

December 06 – December 15, 2017

Overview

On the occasion of ISA Framework Agreement entering into force on 6th December, 2017, ISA Secretariat is organizing National Focal Point Conclave during 6–15th December, 2017. The main objective of the conclave is to develop Road maps for Solar Energy Programmes of individual ISA member countries. The Road map document will be the main initiative of ISA through which ISA Secretariat would like to develop programmes that are suitable to the member countries. During this event, 24 National Focal Points (NFPs) out of the 45 countries that have signed the Framework Agreement are participating. It is expected at the end of the event Roadmap for the programmes in Solar Energy Applications of 24 countries will be prepared.

The prominent speakers in the conclave include:

- Dr. P.C.Maithani, MNRE.
- Ms. Mahua Acharya, GGGI.
- Dr. Ashvini Kumar, SECI.
- Dr. Philippe Malbranche, CEA, INES.
- Dr. Paolo Frankl, IEA.

We have also planned a field visit to Jaipur, Rajasthan. During the field visit, NFPs will study functioning of Solar Water Pumping Systems, MW Scale Solar Power Plant, Solar Rooftop System, etc. Also, they will visit the manufacturing facilities of Solar Photovoltaic Modules at Rajasthan Electronics and Instruments Limited (REIL).

A network Banquet* for the participants with representatives from Ministry of New and Renewable Energy

(MNRE), GoI; Secretary, MNRE; Joint Secretary Ministry of External Affairs (MEA); Ambassadors, High Commissioners of the participating countries in New Delhi. Also, Heads of the Organizations including SECI, IREDA, NISE, CEEW, C-STEP, TERI will also be present during the dinner.

*Date yet to be confirmed.
