INSTRUCTIONS TO BIDDER ON ELECTRONIC TENDERING SYSTEM

These conditions will over-rule the conditions stated in the tender documents, wherever relevant and applicable.

1. Registration of bidders on e-Procurement Portal:-

All the bidders intending to participate in the tenders processed online are required to get registered on the centralized e-Procurement Portal i.e. <https://haryanaeprocurement.gov.in>. Please visit the website for more details.

2. Obtaining a Digital Certificate:

- 2.1** The Bids submitted online should be encrypted and signed electronically with a Digital Certificate to establish the identity of the bidder bidding online. These Digital Certificates are issued by an Approved Certifying Authority, by the Controller of Certifying Authorities, Government of India.
- 2.2** A Digital Certificate is issued upon receipt of mandatory identity (i.e. Applicant's PAN Card) and Address proofs and verification form duly attested by the Bank Manager / Post Master / Gazetted Officer. Only upon the receipt of the required documents, a digital certificate can be issued. For more details please visit the website – <https://haryanaeprocurement.gov.in>.
- 2.3** The bidders may obtain Class-II or III digital signature certificate from any Certifying Authority or Sub-certifying Authority authorized by the Controller of Certifying Authorities or may obtain information and application format and documents required for the issue of digital certificate from:

M/s Nextenders (India) Pvt. Ltd.

O/o. Department of Supplies & Disposals (DS&D), Haryana,
SCO – 09, IInd Floor,
Sector – 16,
Panchkula – 134108

E - mail: Chandigarh@nextenders.com

Help Desk: 1800-180-2097 (**Toll Free Number**)

- 2.4** Bid for a particular tender must be submitted online using the digital certificate (Encryption & Signing), which is used to encrypt and sign the data during of bid preparation stage. In case, during the process of a particular tender, the user loses his digital certificate (due to virus attack, hardware problem, operating system or any other problem) he will not be able to submit the bid online. Hence, the users are advised **to keep certificate** at safe place under proper security (for its use in case of emergencies).
- 2.5** In case of online tendering, if the digital certificate issued to the authorized user of a firm is used for signing and submitting a bid, it will be considered equivalent to a no-objection certificate/power of attorney /lawful authorization to that User. The firm has to authorize a specific individual through an authorization certificate signed by all

partners to use the digital certificate as per Indian Information Technology Act 2000. Unless the certificates are revoked, it will be assumed to represent adequate authority of the user to bid on behalf of the firm in the department tenders as per Information Technology Act 2000. The digital signature of this authorized user will be binding on the firm.

2.6 In case of any change in the authorization, it shall be the responsibility of management / partners of the firm to inform the certifying authority about the change and to obtain the digital signatures of the new person / user on behalf of the firm / company. The procedure for application of a digital certificate however will remain the same for the new user.

2.7 The same procedure holds true for the authorized users in a private/Public limited company. In this case, the authorization certificate will have to be signed by the directors of the company.

3 Opening of an Electronic Payment Account:

For purchasing the tender documents online, bidders are required to pay the tender documents fees online using the electronic payments gateway service shall be integrated with the system. For online **payments guidelines**, please refer to the Home page of the e-tendering Portal <https://haryanaeprocurement.gov.in>.

4 Pre-requisites for online bidding:

In order to bid online on the portal <https://haryanaeprocurement.gov.in> , the user machine must be updated with the latest Java & DC setup. The link for downloading latest java applet & DC setup are available on the Home page of the e-tendering Portal.

5 Online Viewing of Detailed Notice Inviting Tenders:

The bidders can view the detailed N.I.T and the time schedule (Key Dates) for all the tenders floated through the single portal e-procurement system on the Home Page at <https://haryanaeprocurement.gov.in>

6 Download of Tender Documents:

The tender documents can be downloaded free of cost from the e-Procurement portal <https://haryanaeprocurement.gov.in>

7 Key Dates:

The bidders are strictly advised to follow dates and times as indicated in the online Notice Inviting Tenders. The date and time shall be binding on all bidders. All online activities are time tracked and the system enforces time locks that ensure that no activity or transaction can take place outside the start and end dates and the time of the stage as defined in the online Notice Inviting Tenders.

8 Bid Preparation (Technical & Financial) Online Payment of Tender Document Fee, e-service fee, EMD fees of online Bids:

- 8.1 The online payment for Tender document fee, eService Fee & EMD can be done using the secure electronic payment gateway. The Payment for Tender Document Fee and eService Fee can be made by eligible bidders/ contractors online directly through Debit Card/ Credit Cards & Internet Banking Accounts and the Payment for EMD can be made online directly through RTGS / NEFT.

The secure electronic payments gateway is an online interface between contractors and Debit Card/ Credit Card / online payment authorization networks.

- 8.2 The bidders shall **upload** their technical offer containing documents, qualifying criteria, technical specification, schedule of deliveries, and all other terms and conditions except the rates (price bid).

The bidders shall **quote** the prices in price bid format.

NOTE:-

- (A) **If bidder fails to complete the Online Bid Preparation & Submission stage on the stipulated date and time, his/hers bid will be considered as bid not submitted, and hence not appear during tender opening stage.**
- (B) **Bidders participating in online tenders shall check the validity/category of his/her Digital Signature Certificate before participating in the online Tenders at the portal <https://haryanaeprocurement.gov.in>.**
- (C) **For help manual please refer to the ‘Home Page’ of the e-Procurement website at <https://haryanaeprocurement.gov.in>, and click on the available link ‘How to ...?’ to download the file.**

Guideline for Online Payments in e-tendering

Post registration, bidder shall proceed for bidding by using both his digital certificates (one each for encryption and signing). Bidder shall proceed to select the tender he is interested in. On the respective Department’s page in the e-tendering portal, the Bidder would have following options to make payment for tender document & EMD:

- A. Debit Card/ Credit Card
- B. Net Banking
- C. RTGS/NEFT

Operative Procedures for Bidder Payments

A) Debit Card/ Credit Card

The procedure for paying through Debit Card/ Credit Card will be as follows.

- (i) Bidder selects Debit Card/ Credit Card option in e-Procurement portal.

- (ii) The e-Procurement portal displays the amount and the card charges to be paid by bidder. The portal also displays the total amount to be paid by the bidder.
- (iii) Bidder clicks on “Continue” button
- (iv) The e-Procurement portal takes the bidder to Debit Card/ Credit Card payment gateway screen.
- (v) Bidder enters card credentials and confirms payment.
- (vi) The gateway verifies the credentials and confirms with “successful” or “failure” message, which is confirmed back to e-Procurement portal.
- (vii) The page is automatically routed back to e-Procurement portal
- (viii) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
- (ix) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

B) Net Banking

The procedure for paying through Net Banking will be as follows.

- (i) Bidder selects Net Banking option in e-Procurement portal.
- (ii) The e-Procurement portal displays the amount to be paid by bidder.
- (iii) Bidder clicks on “Continue” button.
- (iv) The e-Procurement portal takes the bidder to Net Banking payment gateway screen displaying list of Banks
- (v) Bidder chooses his / her Bank
- (vi) The Net Banking gateway redirects Bidder to the Net Banking page of the selected Bank
- (vii) Bidder enters his account credentials and confirms payment
- (viii) The Bank verifies the credentials and confirms with “successful” or “failure” message to the Net Banking gateway which is confirmed back to e-Procurement portal.
- (ix) The page is automatically routed back to e-Procurement portal
- (x) The status of the payment is displayed as “successful” in e-Procurement portal. The e-Procurement portal also generates a receipt for all successful transactions. The bidder can take a print out of the same.
- (xi) The e-Procurement portal allows Bidder to process another payment attempt in case payments are not successful for previous attempt.

C) RTGS/ NEFT

The bidder shall have the option to make the EMD payment via RTGS/ NEFT. Using this module, bidder would be able to pay from their existing Bank account through RTGS/NEFT. This would offer a wide reach for more than 90,000 bank branches and would enable the bidder to make the payment from almost any bank branch across India.

- I. Bidder shall log into the client e-procurement portal using user id and password as per existing process and selects the RTGS/NEFT payment option.
- ii. Upon doing so, the e-procurement portal shall generate a pre-filled challan. The challan will have all the details that is required by the bidder to make RTGS-NEFT payment.
- iii. Each challan shall therefore include the following details that will be pre-populated:
 - Beneficiary account no: (unique alphanumeric code for e-tendering)
 - Beneficiary IFSC Code:
 - Amount:
 - Beneficiary bank branch:
 - Beneficiary name:
- iv. The Bidder shall be required to take a print of this challan and make the RTGS/NEFT on the basis of the details printed on the challan.
- v. The bidder would remit the funds at least T + 1 day (Transaction + One day) in advance to the last day and make the payment via RTGS / NEFT to the beneficiary account number as mentioned in the challan.
- vi. Post making the payment, the bidder would login to the e-Tendering portal and go to the payment page. On clicking the RTGS / NEFT mode of payment, there would be a link for real time validation. On clicking the same, system would do auto validation of the payment made.

- a. The bidder shall upload the bids as per formats on or before the date and time notified in this document/ NIT.
- b. Single Bid System shall be followed and Bids shall be prepared in two parts

Part - I: TECHNICAL BID(Furnish in PERFORMA-I with all relevant documents).

Part-II: FINANCIAL BID (Furnish in PERFORMA-II (A) & PERFORMA-II(B))

- c. **It should be clearly noted that Part –I should not contain any price bid.**
- d. Part-I containing technical bid will be opened at the time & date notified for opening. If any bidder indicates the price in Part-I, the bid would stand rejected. Bids not accompanied by Earnest Money Deposit, Tender Fee and e-service charges will be treated as out rightly rejected.

Part II containing Prices will not be opened at the time of opening Part-I. Price bid of only technically qualified bidders will be opened on a separate date and time. Date and time of Price bid opening will be uploaded on the HAREDA web site and will also be intimated to qualified bidder by suitable means.

14. DEADLINE FOR SUBMISSION OF BIDS

Bids will be submitted through e-tendering process online on time and date as mentioned in NIT.

15. CLARIFICATION OF BIDS

During evaluation of the bids, the Purchaser may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing, and no change in the prices or substance of the bid shall be sought, offered, or permitted.

16. AMENDMENT OF BIDDING DOCUMENTS:

- 16.1 At any time prior to the deadline for submission of bids, the purchaser may, for any reason, whether at its own initiative or in response to a clarification required by a prospective Bidder, modify the Bidding Documents by amendment.
- 16.2 The amendment will be notified in writing and will be uploaded on the e-procurement web portal and the web portal of the HAREDA www.hareda.gov.in. . It will be binding to the all bidders participating in the bid.
- 16.3 In order to afford prospective Bidders reasonable time in which to take the amendment into account in preparing their bids, the purchaser may, at its discretion, extend the deadline for the submission of bids. It will also be notified in writing on e-procurement web portal and the web portal of the HAREDA www.hareda.gov.in. Prospective bidders are advised to update themselves with the above web portal of e-

procurement.

- 16.4 HAREDA reserves the right at the time of awarding the contract to increase or decrease the quantity of goods and locations of supply without any change in price or other terms and conditions.

17. OTHER TERMS AND CONDITIONS

- 17.1 The offer shall be submitted online only. No tender will be accepted in physical form.
- 17.2 Before submission of online bids, the bidder must ensure that clearly readable scanned copies of all the necessary documents have been uploaded with the bid.
- 17.3 Nodal Agency will not be responsible for any delay in online submission of bids due to any reason whatsoever.
- 17.4 The price quoted should be FOR anywhere in the State of Haryana inclusive of all taxes and duties, custom duty, excise duty, service tax, sales tax, C.S.T., local taxes, Trade Tax/GST, Income Tax, Surcharge on income tax etc. if any, including 5 years warranty (or as notified in the bid) of the complete system. A supplier/ contractor shall be entirely responsible for all taxes, duties, license fees, etc. All taxes payable as per Government income tax & service tax norms will be payable by the contractor. TDS will be deducted from the payment of the contractor as per the prevalent laws and rules of Government of India and Government of Haryana state in this regard.
- 17.5 **Material shall be strictly as per DNIT specifications. If there is any left out specification, the same shall be considered as per the latest specifications applicable as per MNRE/ BIS/International Standards.**
- 17.6 The make of major parts of system i.e. Module, Pump, Controller should be strictly as per the make mentioned in the test reports and accordingly, the same be mentioned in the technical bid. **The tenderer may submit more than one test report (maximum three) for a particular capacity of pump with different makes of major component i.e. Modules, pumps and pump controller and the same will be acceptable.**
- 17.7 In case of any ambiguity in interpretation of any of the clauses/ provision of the said rate contract/DNIT, the decision of the Director, HAREDA shall be final and binding.
- 17.8 It shall be the sole responsibility of the contractor to get verified the quality & quantity of the supplied material at the site of delivery.
- 17.9 The Contractor shall indemnify the HAREDA against all third party claims of Infringement of patent, royalty's trademark or industrial design rights arising from use to the goods or any part thereof.
- 17.10 Contractors, wherever applicable, shall after proper painting, pack and crate all the equipment in such manner as to protect them from deterioration and damage during rail and road transportation to the site and storage at the site till time of installation. Contractor shall be held responsible for all damage due to improper packing.
- 17.11 All demurrage, wharf age and other expenses incurred due to delayed clearance of the material or any other reason shall be to the account of the contractor.
- 17.12 The goods supplied under the contract shall be fully insured against loss or damage

incidental to manufacture or acquisition, transportation, shall be included in the bid price.

- 17.13 HAREDA may at any time terminate the contract by giving written notice to the contractor, without compensation to the contractor, if it becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the HAREDA.
- 17.14 HAREDA, may by written notice to the supplier, terminate the contract, in whole or in part, at any time for its convenience.
- 17.15 To assist in the examination, evaluation and comparison of bids the HAREDA may at its discretion ask the bidder for a clarification of its bid. The request for clarification and the response shall be in writing.
- 17.16 At any time prior to the submission of the tender or prior to the opening of the financial bid the HAREDA may, for any reason, whether at its own initiative or in response to a clarification requested by the Bidder, modify the Tender documents by amendments.
- 17.17 Any material /instrument required to complete /successful running of the project which is not mentioned in the DNIT will be provided by the bidder in the quoted rates only and no additional payment shall be made.
- 17.18 Not more than one tender should be submitted by one contractor or by a firm of contractors for the same work.
- 17.19 Under no circumstances will a father or his son or their close relation or the partner of one firm be allowed to tender as separate tender. A breach of this condition will cause the tenders of such parties liable for rejection and forfeiture of their earnest money.

The firm (s) tendering shall clearly mention in their tender whether any of the close/near relative of their management is in the employment of the HAREDA/Department of New & Renewable Energy, Haryana and in case their close/near relative is in employment of the HAREDA/Department of New & Renewable Energy, Haryana then his/her name, designation and place of posting to be mentioned.

If the tendering firm do not disclose and furnish the correct information as required in above clause, then his earnest money may be forfeited and in case the contractor has been awarded the work, the same may be cancelled.

Note:

The word "Close/ Near Relative" mentioned in the above clause means father, mother, brother, sister, brother-in-law, sister-in-law, daughter-in-law, daughter, father-in-law and mother-in-law, son-in-law, first cousin of self, wife, father-in-law and mother-in-law of son & daughter.

- 17.20 Income Tax/Cess will be deducted at source from contractor' bills/dues in accordance with latest Govt. orders from time to time. The contractor will have no objection to this effect.
- 17.21 The manufacturer shall supply all technical literature and drawing considered necessary for the installation, operation and maintenance of the equipment and its fittings.

- 17.22 EMD is liable to be forfeited in case of evidence of cartel formation by the bidder(s). Further, in case where cartel formation amongst the manufacturers-suppliers is apparent, complaint shall be filed with the Competition Commission of India and/or other appropriate forum.
- 17.23 HAREDA reserve the rights to verify the claimed capacity of the bidder, at any stage, from their own or through a third party. Bidder/successful supplier will have to extend all cooperation. If the claim of the bidder is found negative, then HAREDA may consider reject/cancel the bid/contract.
- 17.24 Supplier shall issue the bill of the material at the time of supply of the material at site as per prevailing rules.

18 PAST PERFORMANCE

While evaluating the bids, past performance of firms regards to execution of projects in Haryana will also be considered.

Firms which have not performed well in the past and HAREDA had initiated purchase under risk purchase clause and tender in this regard has been issued shall be rejected out rightly.

SECTION-III

- b. The time for and date of delivery (includes supply, installation & commissioning) stipulated in the work order shall be deemed to be the essence of the contract, and should the contractor fail to deliver / complete the work (includes supply, installation & commissioning) within the period prescribed for such delivery, penalty @ **2% of the pending work order value per month** subject to maximum of **10%** is recoverable. Once the maximum is reached, the “HAREDA” may consider termination of the contract. For the purpose of calculation of penalty, month will be considered of 30 days and the week of 7 days. In case of non-payment by the contractor, recovery will be made from his bills or amount of Earnest money or security deposited with Director, HAREDA, provide also that :
- (i) No recovery of penalty will be made if the Director, HAREDA accepts the delayed supplies by extending the delivery period by recording in writing that the exceptional circumstances were beyond the control of the supplier and there was no loss to the Government on written request by the supplier, with proper documentation establishing the reasons that the delay were beyond the control of the supplier, before the expiry of the allowed time. Requests for extension received after the expiry of the allowed timeline shall not be entertained and shall be subject to penalty.
- (ii) On the failure of the supplier/s to make supply within the extended period or otherwise and the receipt of such information in the office of the Director, HAREDA, risk purchase at the cost of the supplier will be made by the Director, HAREDA after the maximum penalty is reached by obtaining consent from the L2, L3 bidders or approved supplier/s or approved RC holder of DGS&D, GOI or any State empanelled supplier or by inviting short terms quotations from the Registered and other known suppliers within next two months. The difference of excess cost thus, incurred will be recovered from the supplier from his pending bills, earnest money or security whichever is available. This procedure will be adopted after serving a registered notice to the supplier to supply stores within 15 days.
- c. The Contractor shall not;

- (i) Without the consent in writing of HAREDA transfer, assign or sublet the work under this contract or any substantial part thereof to any other party. HAREDA shall have at all reasonable time, access to the works being carried out by the contractor under this contract. All the work shall be carried out by the contractor to the satisfaction of HAREDA.
- (ii) Disclose details of the conditions governing this contract to unauthorized persons (Indenting against this contract is permissible only for the bonafide use of Governments departments and quasi public and not for private parties or for the private use of the Government officers).
- d. In the event of the contractor failing duly and properly to fulfill or committing breach of any of the terms and conditions of the tender or repeatedly supplying goods liable to rejection hereunder or failing, declining, neglecting/ or delaying to comply with any demand or requisition or otherwise not executing the same in accordance with the terms of this tender, or if the bidder or his agents or servants being guilty of fraud in respect of the contract or any other contract entered into by the contractor or any of his partners or representatives thereof with Government directing, giving, promising or offering any bribes, gratuity, gift, loan, perquisite, reward or advantage pecuniary or otherwise to any person in the employment of Government in any way relating to such officers or person of persons, office or employment or if the contractor or any of his partners become insolvent or apply for relief as insolvent debtor or commence any insolvency proceedings or make any composition with his/ their creditors or attempts to do so then without prejudice to Government rights and remedies otherwise, HAREDA/ Government shall be entitled to terminate this contract forthwith and to **blacklist the contractor** for a period as deemed fit by the competent authority and purchase or procure or arrange from Government's stocks or otherwise at the contractor's risk and at the absolute discretion of the Director, HAREDA as regards the manner, place or time of such purchases, such supplies as have not been supplied or have been rejected under this agreement or are required subsequently by Government there under and in cases where issues in replacement are made from Government's stocks or supplies, the cost of value of stocks or supplies together with all incidental charges or expenses, shall be recoverable from the contractor on demand and the contractor shall not be entitled to benefit from any profit which may accrue to Government.
- e. The supplies, if any, made beyond the time limit for completion of the project defined in the work order will require prior approval of the Director, HAREDA, even the same are with penalty, means the supplier has no right to deliver the material with applicable penalty clause without written concurrence of Director, HAREDA. If any supplies fall under the warranty clause then the supplier has to obtain written permission from the Director, HAREDA, through a request letter at least seven days before the expiry of delivery period with the reason of delay.

4. FORCE MAJEURE

- (i) Notwithstanding the provisions of clauses contained in this deed; the contractor shall not be liable for forfeiture of its performance security, liquidated damages, termination for default, if he is unable to fulfill his obligation under this deed due to event of force majeure circumstances.
- (ii) For purpose of this clause, "Force majeure" means an event beyond the control of the contractor and not involving the contractor's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of God either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and fright embargoes.

- (iii) Obstruction in procurement of components /raw material by the firm from the manufacturers with whom they have tied up for execution of the projects under this tender shall not be covered under force majeure condition. The bidders are advised to make suitable arrangements for supply of parts and components for implementation of the tendered projects within allowed timeframe.
- (iv) However, if a force majeure situation arises, the contractor shall immediately notify the “HAREDA” in writing. The decision of the Director General, HAREDA, in above conditions, shall be final.

5. INSPECTION & COMMISSIONING

- (i) The HAREDA through its duly authorized representative(s) shall have at all reasonable times access to the contractor/ bidders premises or works and shall have the power at all reasonable time to inspect and examine the materials and workmanship of the works during its manufacture, supply, installation etc.
- (ii) Before supply of the materials, the contractor/ bidder are required to get lot of material offered for inspection get inspected at one site. **However, the successful bidder may offer material for inspection in parts i.e. at least 25% of the work order value without any cost to the firm.** In case the contractor/ bidder fails to get the offered material inspected, the total expenses of the further inspection will be borne by the supplier/contractor/ bidder.
- (iii) **HAREDA will bear the inspector’s cost at only one site. No request, to inspect the component(s) of the material at different location would be entertained.**
- (iv) The inspection by HAREDA and issue of dispatch instruction thereof shall in no way limit the liabilities and responsibilities of the contractor/ bidder in respect of the agreed quality assurance forming a part of the contract.
- (v) After receipt of call for inspection, the material shall be inspected by the Director, HAREDA or a committee authorized by her/him or indenting organisation at firm’s premises or in exceptional cases at site and material shall be dispatched/erected after acceptance of the same by the Inspection Committee.
- (vi) The Supplier shall offer inspection **with 10 Days notice within 90 days of placement of work order with firm and thereafter, should complete the project within the allowed time i.e. within 04 months from the date of issue of work order. The total time period for supply, installation and commissioning period would be four months from the date of issue of work order.** To illustrate it further, if the last date of supply is 31st March & supplier sends the inspection call on 30th March for inspection on 31st March, the inspection date shall be considered as 15th April (15 days notice) & period from 1st April to 14th April shall be under penalty clause.
- (vii) If the proposal for pre-dispatch inspection is received within defined & valid time period in the office of Director, HAREDA or indenting organisation from the supplier and inspection is not carried out by the HAREDA due to any reasons within 15 days of receipt of such letter, the time period for supply, installation & commissioning will be extended equivalent to delayed period, from the next day of expiry of these 15 days till the date of actual inspection and no penalty will be imposed for this extended period.
- (viii) In case the material offered for inspection fails to meet the specifications stipulated in DNIT /Order /Contract and the material is rejected by the Inspecting Committee or complete material offered for inspection is not available for inspection, HAREDA or Indenting Organisation will levy a penalty at 0.1% of the order value. In case the

material offered for inspection fails during the 2nd inspection also, the Indenting Department will have the right to increase the penalty to 0.25% of the order value. In case, the material offered fails during the 3rd and final inspection also, the firm will be liable for penal action including forfeiture of EMD/PSD, risk purchase, debarring/blacklisting in future, and no further opportunity for inspection will be provided to the supplier firm.

- (ix) The proposal for inspection received complete in all respect shall be processed by the dealing officer within seven (7) days of receipt of the same by him/her, failing which he/she will be liable to explain the reason for delay.
- (x) The firm will print the words ‘**PROMOTED BY HAREDA & YEAR _____**’ on the body of the Systems in a permanent manner so as to minimize any possible malpractices.
- (xi) The inspection report should be submitted to HAREDA or Indenting Organisation within seven days from the date of inspection either by hand or by e-mail/fax. Similarly, the commissioning report should be submitted to the concerned district office and an advance copy to HAREDA or Indenting Organisation **within seven days** from the date of commissioning either by hand and by e-mail/fax failing which the commissioning date shall be considered seven days prior to the date of submission of the report in HAREDA or Indenting Organisation and the period of late submission of JCR shall be counted towards delay. The district office after verification will issue the JCR or shall report any discrepancy to the supplier with a copy to HAREDA or Indenting Organisation within seven days. In case of discrepancy in the system commissioned, the commissioning date shall be counted from the date when the discrepancy has been removed to the entire satisfaction of District Office & User/HAREDA/Indenting Organisation.
- (xii) The installation work shall be carried out under the close supervision of the Project Officer/Asstt. Project Officer of the district & the user. The final inspection after installation and commissioning shall be carried out by district office and user. The supplier should plan his activities in such a way that the entire process for supply, installation and commissioning after inspection of the systems is completed within the allowed time. Therefore, it is necessary & in the interest of the supplier to get inspected the material well in advance before the stipulated delivery time so as to avoid penalty. The supplier shall provide without any extra charge, all materials, tools, testing equipments, labour and assistance of very kind which the inspecting officer may consider necessary for any test or examination. HAREDA or indenting organisation can also get the functionality of the system tested from any MNRE approved test centre/laboratory. Rejected material (if any) will have to be replaced by the supplier at its costs within 15 days of issue of such notice.
- (xiii) Before the goods and equipment are taken over by the user, the supplier shall supply operation and maintenance manuals. These shall be in such details as will enable the user to operate, maintain, adjust and repair all parts of the works as stated in the specifications. The manuals shall be in the ruling language (English or Hindi). Unless and otherwise agreed, the goods and equipment shall not be considered to be completed for the purposes of taking over until such manuals have been supplied to the purchaser/user.
- (xiv) If the goods/services or any section fails to pass the Tests. The supplier may require such tests to be repeated on the same terms and conditions. All costs to which the purchaser may be put to by the repetition of the tests under this sub-clause shall be deducted from the contract price.

- (xv) **The purchaser has the right to pick any sample in working condition in the presence of bidder**, for random testing of any of the component of the system or complete system, while erecting of material, post commissioning for testing as per the DNIT specifications. The expenditure on the tests (for maximum 2 systems) will be borne by the supplier. If more system(s) are taken for testing, the cost of testing shall be borne by the Indenting Department. In case, the supplier requests for testing of systems(s), the same shall be done at the cost of supplier.
- (xvi) If the purchaser and the supplier disagree on the interpretation of the test results each shall give a statement of his views to the other within 14 days after such disagreement arises. The statement shall be accompanied by all relevant evidence. The purchaser will review both the statements and render a final decision within a further period of fourteen days which shall be binding on the supplier.

6. THIRD PARTY INSPECTION:

Third party inspection of maximum of 10% of the offered material / installed Projects may also be arranged by Indenting Organisation at its own cost.

7. TERMS AND CONDITION FOR PAYMENTS

7.1 The payments shall be made as per the following terms and conditions:

- a. **60% of the ordered value** after the supply of the complete material at site/indenting office supported with pre-dispatch inspection report, list of material with complete details, material receipt issued by user /P.O of the concerned district and bill of material.
- b. **Balance payment** within 30 days on submission of Joint Commissioning Report (JCR) with list of beneficiaries to the indenting organization/HAREDA. The JCR must be countersigned by the respective ADC-cum-CPO of the district.

7.2 Income Tax shall be deducted at source only.

7.3 Additionally, Successful Bidder shall have to submit to the following, if required:

- a. All the documents related to purchase of major components of the Project.
- b. All documents, premium receipts related to insurance of components of Projects.

8. WARRANTY

- (i) The Warranty period shall be five (5) years for complete system from the date of commissioning and handing over of the system (or as per latest MNRE, GoI guidelines). The contractor shall rectify/replace defective parts of the system within Warranty period promptly i.e. **within 72 hours**.
- (ii) During the warrantee period, the firm shall ensure proper functioning of the systems and complaint, if any, forwarded to the supplier against the system, will have to be attended within 72 hours of forwarding such complaints.
- (iii) If the firm fails to repair/replace the defective system, penalty @ 0.1% of the system cost per day (subject to maximum of 10% of the cost) after expiry of 72 hrs. period shall be imposed.

- (iv) If the whole PSD/ bank guarantee is utilized and the complaints are still pending then an online/registered notice will be sent to the firm to attend the complaint immediately.
- (v) If the firm still does not attend the complaint within the above mentioned period then the firm may be blacklisted and a legal proceeding may be initiated against the firm for Breach the agreement.
- (vi) The supplier shall affirm as per standards for quality that anything to be furnished shall be new, free from all defects and faults in material, workmanship and manufacture, shall be of the highest grade and consistent with established and generally accepted standards for material of the type ordered, shall be in full conformity with the specifications, drawing or samples, if any and shall if operable, operate properly.
- (vii) Performance of Equipment: In addition to the warranty as already provided, the supplier shall guarantee satisfactory performance of the equipment and shall be responsible for the period or up to the date specified in sub-clause(iii) hereof after the equipment has been accepted by the HAREDA or indenting organization to the extent for any defects that may develop such defects shall be removed at his own cost when called upon to do so by the HAREDA or indenting organization.
- (viii) HAREDA/the consignee will have the liberty to get the sample for the item(s) supplied tested from any of the Govt. approved laboratory at any time during the inspection, installation or warranty period to ascertain the performance of the item(s) as per DNIT specifications. If during the lab test, sample fails then supplier has to repair/ replace the defective systems within 15 days of issue of such notice. If on the request of the supplier more than one samples are drawn for lab test and any one of them fail the lab test, bidder has to replace all the defective system at his own cost.
- (ix) The Contractor in consultation with concerned Project Officer will conduct training programme for users, focusing on main features, operation and maintenance of the systems. After successful supply/commissioning of the system and training, the system will be handed over to the person designated by the end user.
- (x) The Contractor/supplier shall continue to provide spare parts for 2 years after the expiry of warranty period at the users cost. If the contractor fails to continue to supply spare parts and services to users then HAREDA shall take appropriate action against the firm which can be to ban the supplier for participating in future tenders of the HAREDA.
- (xi) **Service Centers**: Each successful bidder (either from Haryana or outside Haryana) will have to establish at least one service centre at the divisional level in their area of operation in the State, where a skilled technician and readily available spare parts will be made available during the entire period of Warranty/ Guarantee. The supplier will convey name & address of the outlet along with name of contact person, his/ her address, mobile number & e-mail address within 90 days of placing of the work order to the Director, HAREDA or indenting organization. The name & address of the service outlet and contact number will be displayed on the web portal of HAREDA www.hareda.gov.in.
- (xii) **Suryamitra**: There is a Programme under MNRE to provide training to ITI Certificate and Diploma holders on operation and maintenance of SPV devices and

systems and it is called “Suryamitra Skill Development Programme”. The successful contractor(s) may preferably engage them in their service centers to provide necessary repairs and maintenance service including installation of the systems during the time of execution.

9. RIGHT TO USE DEFECTIVE EQUIPMENT

If after delivery, acceptance and installation and within the guarantee and warranty period, the operation or use of the equipment proves to be unsatisfactory, the Purchaser shall have the right to continue to operate or use such equipment until rectifications of defects, errors or omissions by repair or by partial or complete replacement is made without interfering with the Purchaser’s operation.

10. STANDARDS

The Goods supplied under this contract shall conform to the standards mentioned in the technical specifications and other sections of DNIT and when no applicable standard is mentioned then to the latest authoritative standard issued by the concerned institution appropriate to the goods, country of origin, MNRE as applicable.

11. SUSPENSION:

HAREDA or indenting organisation may by a written notice of suspension to the Firm, suspend all payments to the Firm under the contract, if the Firm fails to perform any of its obligations under this contract provided that such notice of suspension:

- i. Shall specify the nature of the failure.
- ii. Shall request the bidder to remedy such failure within a specified period from the date of receipt of such notice of suspension by the bidder.

12. COMPLIANCE TO REGULATIONS AND BYE LAWS

The contractor shall conform to the provisions of any statute relating to his workers and the work and regulations and bye-laws of any local authority and or any Central/State Deptt. or undertaking in whose jurisdiction the work connected .

13. COMPENSATION UNDER WORKMEN’S COMPENSATION ACT

The contractor shall be responsible for and shall pay any compensation to his workmen payable under the Workmen’s Compensation Act, 1923 (VIII of 1923) or any other act applicable hereinafter called the said Act for injuries caused to the workmen. The contractor shall be responsible to take a policy with an Insurance Company to cover all his workers against injuries fatal/non-fatal during course of duty against Workmen’s Compensation Act.

14. SAFETY MEASURES:

- a) The contractor shall take necessary precautions for safety of the workers and preserving their health while working in such jobs, which require special protection and precautions. The following are some of the measures listed but they are not

exhaustive and contractor shall add to and augment these precautions on his own initiative where necessary and shall comply.

- b) Supply work men with proper belts, ropes etc., when working in precarious slopes etc.
- c) Avoiding naked electrical wire etc., as they would electrocute the works.
- d) Taking necessary steps towards training the workers concerned on the machinery before they are allowed to handle them independently and taking all necessary precautions in around the areas where machines hoists and similar units are working.

15. **INSURANCE**

The successful bidders will have to get the insurance of the pumps done during the entire warranty period of 5 years from any of Public Sector Insurance company like National Insurance Co. Ltd., Oriental Insurance Co. Ltd. etc.

16. **TAXES AND DUTIES**

Supplier shall be entirely responsible for all taxes, duties licence fees etc. incurred until delivery and commissioning of the contracted goods to the purchaser.

All taxes payable as per Government Income tax & service tax norms will be payable by the bidder. TDS will be deducted from the payment of the Bidder as per the prevalent Laws and rules of Government of India and the State Government.

16. **INCOME/ CORPORATE TAXES IN INDIA**

- 16.1 The supplier shall be liable to pay all corporate taxes and income tax that shall be levied according to the laws and regulations applicable from time to time in India and the price bid by the supplier shall include all such taxes in the contract price.
- 16.2 Wherever the laws and regulations require deduction of such taxes at the source of payment, the purchaser shall effect such deductions from the payments due to the supplier. The remittance of amounts so deduction and issuance of certificate for such deductions shall be made by the purchaser as per the laws and regulations in force. Nothing in the contract shall relieve the supplier from his responsibility to pay any tax that may be levied in India on income and profits made by the supplier in respect of this contract.
- 16.3 The suppliers staff, personnel and labour will be liable to pay personal income taxes in India in respect of such of their salaries and wages as are chargeable/ in force, and the supplier shall perform such duties in regard to such deductions thereof as may be imposed on him by such laws and regulations.

17. **COMPLETENESS**

The execution of the project is on turnkey basis and the contractor shall be responsible for providing all the necessary civil works, equipments, materials which is not indicated in the DNIT but required and essential for completeness and successful testing & commissioning of the project within the contract price.

18. **PRICE FALL CLAUSE**

- (i) The prices charged for the stores supplied under the Contract by the Contractor shall in no event exceed the lowest price at which the Contractor sells the Stores or offer to sell stores of identical description to any Department of the Central Government or any Department of a State Government or any statutory undertaking of the Central or a State Government, as the case may be, during the period till all Orders placed during the currency of Contract is completed.

If at any time during the said period, the Contractor reduces the Sale price, sells or offers to sell such stores irrespective of quantity to any person(s)/organization(s) including the Purchaser or any Statutory Undertaking of the Central or a State Government, as the case may be, at a price lower than the price chargeable under this Contract, he shall forthwith notify such reduction or Sale or offer of Sale to the Director, New & Renewable Energy Department, Haryana/HAREDA and the price payable under the Contract for the stores supplied after the date of coming into force of such reduction or sale or offer of sale stand correspondingly reduced. The above stipulation will, however, not apply to :

- (a) Export/deemed Export by the Contractor
- (b) Sale/ normal replacement.

- (ii) The Contractor shall furnish the following certificate to the Paying Authority along with each bill for payment for supplies made against the Contract.

“I/We certify that there has been no reduction in sale price of the Stores of Description identical to the Stores supplied to the Government under the contract herein and such Stores have not been offered/sold by me/us to any person(s)/organization(s) including the purchaser or any Department of Central Government or any Department of a State Government or any statutory Undertaking of the Central or State Government as the case may be up to the date of the bill of supplies against all orders placed during the currency of the Contract at a price lower than the price charged to the Government under the Contract except for quantity of Stores as mentioned at para (ii) above.

19. GRAFTS AND COMMISSIONS ETC.

Any graft, commission, gift or advantage given, promised or offered by or on behalf of the Contractor or his partner, agent, officers, director, employee or servant or any one on his or their behalf in relation to the obtaining or to the execution of this or any other Contract with the Owner, shall in addition to any criminal liability with it may incur subject the Contractor to the cancellation of this and all other Contracts and also to payment of any loss or damage to the Owner resulting from any cancellation. The owner shall then be entitled to deduct the amount so payable from any monies otherwise due to Contractor under the Contract.

20. TERMINATION FOR INSOLVENCY

HAREDA or indenting organisation may at any time terminate the contract by giving written notice to the contractor/ bidder without compensation to the contractor/

bidder, if it becomes bankrupt or otherwise insolvent, provided that such termination will not prejudice or affect any right of action or remedy, which has accrued or will accrue thereafter to the HAREDA.

21. TERMINATION FOR CONVENIENCE

The HAREDA, may by written notice sent to the contractor/ bidder, terminate the contract, in whole or in part at any time for its convenience. The notice of termination shall specify that termination is for the purchaser's convenience in the interest of Public/ Government.

22. NOTICE:

22.1. Any notice given by one party to the other pursuant to the contract shall be sent in writing or by Email and confirmed in writing to the address specified for that purpose in the special condition of contract.

22.2 A notice shall be effective when delivered or on the notice's effective date, whichever is later.

23. RIGHT TO CLAIM/ RECOVER DAMAGES

The supplier will keep the premises of the beneficiary clean during store, installation and commissioning of the system / plant. If there is any damage due to mishandling / bad workmanship, the amount equivalent to damage will be recovered from the supplier. However, if any such complaint regarding damage is received from the beneficiary, the same will first be forwarded to the supplier for redressal/ rectification.

24. ARBITRATION:

If any question, dispute or difference what so ever shall arises between HAREDA and the contractor, in the connection with this agreement except as to matters, the decisions for which have been specifically provided, either party may forthwith give to the other notice in writing of existence of such question, dispute or difference and the same shall be referred to the sole arbitration of the Principal Secretary, Govt. Haryana, New & Renewable Energy Department or a person nominated by him/her. This reference shall be governed by the Indian Arbitration Act, and the rules made there under. The award in such arbitration shall be final and binding on both the parties. Work under the agreement shall be continuing during the arbitration proceedings unless the HAREDA or the arbitrator directs otherwise.

25. JURISDICTION FOR SETTLING DISPUTES:

Where a contractor has not agreed to Sole Arbitration Clause of the Conditions of the Contract, Governing contracts the dispute/claims arising out of the contract entered into with him will be subject to the jurisdiction of Civil Court Panchkula.

SECTION- V

**ADDITIONAL
CONDITIONS
OF
CONTRACT**

ADDITIONAL CONDITIONS OF CONTRACT

1. Correction of arithmetical errors

Provided that a financial bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. if there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. if there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its EMD shall be forfeited or its Bid Securing Declaration shall be executed.

2. Procuring Entity's Right to Vary Quantities

- (i) At the time of award of contract, the quantity of Goods, works or services originally specified in the Bidding Document may be increased or decreased by a specified percentage, but such increase or decrease shall not **generally exceed fifty percent** of the quantity specified in the Bidding Document. It shall be without any change in the unit prices or other terms and conditions of the Bid and the conditions of contract. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.
- (ii) If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.

3. Compliance with the Code of integrity and No Conflict of interest

Any person participating in a procurement process shall –

- (a) not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;

- (b) not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- (c) not indulge in any collusion, Bid rigging or anti-competitive behaviour to impair the transparency, fairness and progress of the procurement process;
- (d) not misuse any information shared between the procuring Entity and the Bidders with an intent to gain unfair advantage in the procurement process;
- (e) not indulge in any coercion including impairing or harming or threatening to do the same, directly or indirectly, to any party or to its property to influence the procurement process;
- (f) not obstruct any investigation or audit of a procurement process;
- (g) disclose conflict of interest, if any; and
- (h) disclose any previous transgressions with any Entity in India or any other country during the last three years or any debarment by any other procuring entity.

Conflict of Interest:-

The Bidder participating in a bidding process must not have a Conflict of Interest.

A Conflict of Interest is considered to be a situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations. i. A Bidder may be considered to be in Conflict of Interest with one or more parties in a bidding process if, including but not limited to:

- i. have controlling partners/ shareholders in common; or
- ii. receive or have received any direct or indirect subsidy from any of them; or
- iii. have the same legal representative for purposes of the Bid; or
- iv. have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about or influence on the Bid of another Bidder, or influence the decisions of the Procuring Entity regarding the bidding process; or
- v. the Bidder participates in more than one Bid in a bidding process. Participation by a Bidder in more than one Bid will result in the disqualification of all Bids in which the Bidder is involved. However, this does not limit the inclusion of the same subcontractor, not otherwise participating as a Bidder in more than one Bid; or
- vi. the Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Goods, Works or Services that are the subject of the Bid; or
- vii. Bidder or any of its affiliates has been hired (or is proposed to be hired) by the procuring entity as engineer-in-charge consultant for the contract.

8	DC Submersible	10 HP	9000	--	--	--	1,26,000
9	AC Submersible	10 HP	9000	--	--	--	1,17,000

* Water output figures are on a clear sunny day with three times tracking of SPV panel, under the “Average Daily Solar Radiation” condition of **7.15 KWh/ sq.m. on the surface of PV array (i.e.coplanar with the PV Modules)**.

Notes:

1. If surface pumps are used in lieu of submersible pumps, the water output must match that of the submersible pumps as specified in this table.
2. Module mounting **structure shall** be MS hot dipped galvanized, with a facility of manual tracking at least three times a day.

II. PERFORMANCE SPECIFICATIONS AND REQUIREMENTS

Under the “Average Daily Solar Radiation” condition of 7.15 KWh / sq.m. on the surface of PV array (i.e. coplanar with the PV Modules), the minimum water output from a Solar PV Water Pumping System at different “Total Dynamic Heads” should be as specified below:

For D.C. Motor Pump Set with Brushes or Brush Less D.C.(B.L.D.C.) :

1. 100 liters of water per watt peak of PV array, from a Total Dynamic Head of 10 metres (Suction head, if applicable, minimum of 7 metres) and with the shut off head being at least 12 metres.
2. 50liters of water per watt peak of PV array, from a Total Dynamic Head of 20 metres (Suction head,if applicable, up to a maximum of 7 metres) and with the shut off head being at least 25 metres.
3. 35 liters of water per watt peak of PV array, from a Total Dynamic Head of 30 metres and the shut off head being at least 45 metres.
4. 21 liters of water per watt peak of PV array, from a Total Dynamic Head of 50 metres and the shut off head being at least 70 metres.
5. 14 liters of water per watt peak of PV array, from a Total Dynamic Head of 70 metres and the shut off head being at least 100 meters.
6. ***9.5 liters of water per watt peak of PV array, from a Total Dynamic Head of 100 metres and the shut off head being at least 150 metres.***

The actual duration of pumping of water on a particular day and the quantity of water pumped could vary depending on the solar intensity, location, season, etc.

For A.C. Induction Motor Pump Set with a suitable Inverter :

1. 90 liters of water per watt peak of PV array, from a Total Dynamic Head of 10 metres (Suction head, if applicable, minimum of 7 metres) and with the shut off head being at least 12 metres.
2. **45** liters of water per watt peak of PV array, from a Total Dynamic Head of 20 metres (Suction head, if applicable, up to a maximum of 7 metres) and with the shut off head being at least 25 metres.
3. 32 liters of water per watt peak of PV array, from a Total Dynamic Head of 30 metres and the shut off head being at least 45 metres.
4. 19 liters of water per watt peak of PV array, from a Total Dynamic Head of 50 metres and the shut off head being at least 70 metres.
5. 13 liters of water per watt peak of PV array, from a Total Dynamic Head of 70 metres and the shut off head being at least 100 metres.
6. **8.5 liters of water per watt peak of PV array, from a Total Dynamic Head of 100 metres and the shut off head being at least 150 metres.**

The actual duration of pumping of water on a particular day and the quantity of water pumped could vary depending on the solar intensity, location, season, etc.

The pumps of a particular capacity/type which is successfully tested at higher head would be accepted at lower heads.

III. PV ARRAY

The SPV water pumping system should be operated with a PV array capacity in the range of **200Watts peak to 10 kW peak**, measured under Standard Test Conditions (STC). Sufficient number of modules in series and parallel could be used to obtain the required PV array power output. The power output of individual PV modules used in the PV array, under STC, should be a minimum of 125 Watts peak, with adequate provision for measurement tolerances. Use

of PV modules with higher power output is preferred.

Indigenously produced PV module (s) containing mono/ multi crystalline silicon solar cells should be used in the PV array for the SPV Water Pumping systems.

- Modules supplied with the SPV water pumping systems should have certificate as per BIS14286/IEC 61215 specifications or equivalent National or International/ Standards.
- Modules must qualify to IEC 61730 Part I and II for safety qualification testing.
- The efficiency of the PV modules should be minimum **14%** and fill factor should be more than **70%**.
- The terminal box on the module should have a provision for “Opening” for replacing the cable, if required.
- There should be a Name Plate fixed inside the module which will give:
 - i. **Name of the Manufacturer or Distinctive Logo.**
 - ii. **Model Number**
 - iii. **Serial Number**
 - iv. **Year of manufacture**
 - v. **HAREDA logo (available on-line)**
 - vi. **Made in India**
- **Stainless steel anti theft nuts bolts should be used for fixing of SPV Module to minimize theft cases.**

IV MOTOR PUMP-SET

1. The SPV water pumping systems should use the following types of motor pump sets:
 - a. Surface mounted motor pump-set
 - b. Submersible motor pump set
2. The “Motor Pump Set” should have the following features:
 - a) The mono block DC/ AC centrifugal motor pump set with the impeller mounted directly on the motor shaft and with appropriate mechanical seals which ensures zero leakage.
 - b) The motor of the capacity 3HP and 10 HP should be AC, PMDC or BLDC type. The suction and delivery head will depend on the site specific condition of the field.
 - c) Submersible pumps could also be used according to the dynamic head of the site at which the pump is to be used.
3. It is recommended that all parts of the pump and the motor of the submersible pumps should be made of stainless steel.

The manufacturers of pumps should self certify that, the pump and **all external parts of motor used in submersible pump which are in contact with water, are of stainless steel.** The pumps used for solar application should have a 5 years warranty so it is essential that the construction of the pump be made using parts which have a much higher durability and do not need replacement or corrode for at least 5 years.

4. Provision for remote monitoring of the installed pumps must be made in the

controllers or the inverters either through an integral arrangement or through an externally fitted arrangement. It should be possible to ascertain the daily water output, the power generated by the PV array, the UP TIME of the pump during the year, Number of days the pump was unused or under breakdown/repairs. **The Remote Monitoring System should be certified from any authorized test laboratory.**

5. The bidder shall provide the login access to the online monitoring software to HAREDA.
6. The following details should be marked indelibly on the motor pump set
 - i. Name of the Manufacturer or Distinctive Logo.
 - ii. Model Number.
 - iii. Serial Number.
7. The suction/ delivery pipe (GI/HDPE), electric cables, floating assembly, civil work and other fittings required to install the Motor Pump set.
8. **The Motor Pump set must be Made in India**

V. MOUNTING STRUCTURES AND TRACKING SYSTEM.

The PV modules should be mounted on metallic structures of adequate strength and appropriate design, which can withstand load of modules and high wind velocities up to 150 km per hour. The support structure used in the pumping system should be hot dip galvanized iron with minimum 80 micron thickness.

The successful bidders will have to submit the structural designs of the modules mounting structure(s) for the quoted capacity(ies) duly certified by the certified structural engineer that it would withstand wind velocities upto 150 km/hr to HAREDA at the time of submission of acceptance of rate contract.

To enhance the performance of SPV water pumping systems, manual or passive or auto tracking system must be used. For manual tracking, arrangement for seasonal tilt angle adjustment and three times manual tracking in a day should be provided.

VI. ELECTRONICS AND PROTECTIONS

1. Maximum Power Point Tracker (MPPT) should be included to optimally use the Solar panel and maximize the water discharge.
2. Inverter could be used, if required, to operate an A.C. Pump. The inverter must have IP 54 protection or must be housed in a cabinet having at least **IP54** protection.
3. Controller for BLDC motor driven pumps, if required be used. The controller must have **IP 54** protection or must be housed in a cabinet having at least IP 54 protection.
4. Adequate protections should be incorporated against dry operation of motor pump set, lightning, hails and storms.
5. Full protection against open circuit, accidental short circuit and reverse polarity should be provided.

VII. ON/OFF SWITCH

A good reliable switch suitable for DC use is to be provided. Sufficient length of cable should be provided for inter-connection of the PV array, Controller / Inverter and the motor pump set.

VIII. WARRANTY

The PV Modules must be warranted for output wattage, which should not be less than 90% at the end of 10 years and 80% at the end of 25 years. The whole system including submersible/surface pumps shall be warranted for 5 years. Required Spares for trouble free operation during the Warrantee period should be provided along with the system.

IX. OPERATION AND MAINTENANCE MANUAL

An Operation and Maintenance Manual, in English and the local language, should be provided with the solar PV pumping system. The Manual should have information about solar energy, photovoltaic, modules, DC/AC motor pump set, tracking system, mounting structures, electronics and switches. It should also have clear instructions about mounting of PV module, DO's and DONT's and on regular maintenance and Trouble Shooting of the pumping system. Name and address of the person or Centre to be contacted in case of failure or complaint should also be provided. A warranty card for the modules and the motor pump set should also be provided to the beneficiary.

X. NOTES

Wherever the “Water table” or the level of water in the reservoir or the water source (e.g. Diggee) from which the water is to be pumped, is within 10 metres depth, ‘Surface Motor Pump sets’ should be preferred.

The type of pump set used must match the total dynamic head requirement of the site (i.e. the location at which it is installed). Moreover, it should be appropriately tested and certified by the authorized test centres of the Ministry to meet the performance and water discharge norms specified above.

XI. EARTHING

Each array structure of the PV yard shall be grounded properly. In addition the lightning arrestor/masts shall also be provided inside the array field. Provision shall be kept for shorting and grounding of the PV array at the time of maintenance work. All metal casing/shielding of the plant shall be thoroughly grounded in accordance with Indian Electricity Act/IE rules as amended up to date. The earthing pit shall be made as per IS: 3043. All the array structures, equipments & control systems shall be compulsorily connected to the earth. Number of earthing shall vary with the capacity of SPV Power Plant & location. G.I. /Copper strips should be used for earthing instead of G.I. wires. LA should be installed to protect the array field & machines installed in the ground not in the structure with separate earthing. Number of LA shall vary with the capacity of SPV Power Plant & location.

XII. DANGER BOARDS

Danger boards should be provided as and where necessary on the solar water pumping system.

XIII. Specifications of HDPE pipes and cable

1. HDPE Pipe:

- a. Submersible pumps: HDPE pipe of 10 kg/m² of size 38 mm/63 mm/76mm outer diameter PE 100 grade of required length as per the relevant IS standard-4984/2016

- b. Surface pumps: HDPE pipe of 6 kg/m² of size 90mm/110 outer dia- PE 100 grade of required length as per IS standard-4984/2016

Cable: Copper cables of the required length having minimum 4 sq.mm for pumps upto 5 HP capacity and minimum 6 sq.mm for more than 5 HP capacity pump as per IS standard-694

XIV TESTING

The firms are also allowed to submit the simulation based testing of the pumps from any of the MNRE/IEC/NABL accredited test laboratory.

UNIVERSAL PUMP CONTROLLER (UPC)-OPTIONAL

In order to operate Chaff cutter, flour mills and other AC loads, the bidder may separately quote the price of universal pump controller along with the bid.

However, it is clarified to all the bidders that this UPC is purely optional and the user may purchase this UPC from the supplier firm. Quantity of solar pumps to be purchased with UPC is not committed.

The bidders have to quote additional cost of UPC i.e. (**UPC-existing pump controller**) along with the bid and these system will also be warranted for 5 years.

The bidders have to submit test certificate of UPC issued by the MNRE/NABL/IEC certified laboratory along with the bid

Note:

- a. The material should confirm to the latest MINIMAL TECHNICAL REQUIREMENTS / STANDARDS FOR **SPV WATER PUMPING SYSTEMS** UNDER THE PROGRAMMES OF MINISTRY OF NEW AND RENEWABLE ENERGY, GOI and as amended from time to time.
- b. Material shall be strictly as per DNIT specifications. If there is any left out specification, the same shall be considered as per the latest specifications applicable as per MNRE/ BIS/International Standards.

ONLINE BID SUBMISSION

PART-I
TECHNICAL BID (PROPOSAL EVALUATION)
Check list for evaluation

(A)- Information regarding tender fee, EMD etc.

S.No.	Details required	Details
1.	Tender Document Fee	
2.	e-Service fee	
3.	Earned Money Deposit (EMD)	
4.	Category of Bidder a. General b. Manufacturing Micro & Small Enterprises of Haryana (including Khadi & Village Industries/Units) c. Manufacturing Medium Enterprises of Haryana d. Startups/first Generation Entrepreneurs e. Registered with DGS&D/NSIC/GOI Departments/State Govt. Department/GOI PSUs/State Govt. PSUs in respect of the item/goods mentioned in the tender f. Any other	

(B)- Technical Bid Requirements:

S. No.	Details required;	Details of Attachment
1.	The Bidder should be either a body incorporated in India under the Companies Act, 1956 or Company Act 2013 including any amendment thereto or proprietary/partnership firm or JV/Consortium. A copy of certificate in this regard is to be furnished along with the bid in support of above.	
2.	Whether , the bidder (manufacturer of Haryana) is any one of the following : (i) Manufacturing Small Enterprises (including Khadi & Village Industries) or (ii) Manufacturing Micro Enterprises (including Khadi & Village Industries) (iii) Manufacturing Medium Enterprises (including Khadi & Village Industries) (iv) Startups/first Generation Entrepreneurs A copy of certificate of UAM or Entrepreneurs Memorandum issued by Industry Department Haryana should be furnished along with the bid in support of above.	
3.	Bidder should be a registered manufacturer of at least one major component to be deployed in the system/ project or system integrator Furnish the certificate/ document, issued by competent Govt. authority, in support of above.	
4.	a) Proposed minimum quantity/ capacity quoted by the Bidder b) Estimated value (calculation as per bid document) of the offered quantity/ capacity by the bidder. c) Monthly established capacity of the bidder for supply, installation & commissioning of the system/ plant (In nos.)	

	d) Place & State of billing Furnish information in the FORMAT- IV.	
e.	Average annual turnover of the bidder for the last three years Furnish information in the FORMAT- V	
g.	The bidder have positive net worth in the last three years, ending 31 st March of the previous Financial Year. Furnish information in the FORMAT-VI.	
h.	Experience and Past Performance of the bidder Please furnish the information in the FORMAT-VIII duly supported by information in FORMAT-VII.	
i.	The bidder should have valid GST registration certificate. Registration document (s) to be provided by the bidder where it is presently operational/Company is registered. A Copy to be furnished in support	
j.	The Bidder should have valid Service Tax Registration Certificate. A copy of which should be enclosed.	
k.	Bidder should have not been debarred/blacklisted by any Govt. Deptt's / organization/ PSU's / institutions/ agencies/ autonomous Organizations. If any bidder provides false information regarding debarred /blacklisted or conceals the facts in this regard, Nodal agency reserves the right to forfeit both EMD & Performance Bank Guarantee of the bidder. Details of litigation history shall also be uploaded. Furnish information in the FORMAT- IX(A) & IX (B)	
l.	Bidder should have valid test report of complete system, issued by the MNRE/NABL/IEC accredited / approved laboratories test centre/ laboratory (to be uploaded with the bid document) on or after 22.05.2015: Furnish the information along with valid test report/s in FORMAT-X(A) and X(B)	
m.	Authorization Certificate by the bidder for signing the bid documents on behalf of the company on letter head of the company. Attach authority letter.	
n.	Others (if any)	

Note:-

1. The information in the above table should be filled properly.
2. If any document submitted in support of above parameters found false, the tender will be disqualified and EMD and security Deposit shall be forfeited and bidder shall be blacklisted.
3. Cutting should be verified by the signature with seal on every attempt and overwriting not allowed.

**Signature of authorised signatory
of the bidder with seal**

BID FORM
(To be submitted on letter head of Bidder)

Reference No:

Date:

Place:

To

The Director,
Haryana Renewable Energy Development Agency,
Panchkula (Haryana),

Subject: **Design, supply, installation, and commissioning including warranty, maintenance for 5 years for 3HP/5HP/7.5HP/10HP Solar Water Pumping System in the Haryana.**

Madam/ Sir,

1. We have read and examined the tender documents relating to the subject cited works (hereinafter referred to as “Works”) as issued by you:
2. Having examined the Tender Documents and being duly authorized we, hereby, bid for the execution, and completion of the Works referred to in the Tender Documents upon the terms and conditions contained or referred to therein and in accordance to all respects with the specifications and other details given therein.
3. ‘PURCHASER’ and its authorized representatives are hereby authorized to conduct any inquiries or investigations to verify the statements, documents, and information submitted in connection with this Bid, and to seek clarifications from our bankers and employers regarding any financial and technical aspects. This Bid shall also serve as authorization to any individual or authorized representative of any institution referred to in the supporting information to provide such information deemed necessary and as requested by you to verify statements and information provided in this application, such as the resources, experience, and competence of the Bidder.
4. We agree to keep this Bid open for acceptance for 120 days from the date of opening of Financial Bid, or such other extended period as may be required by you and also agree not to make any modifications in its terms and conditions of our own accord.
5. We agree if we fail to keep the validity of Bid open, as aforesaid, or we make any modification in the terms and conditions of our Bid of our own accord or after the acceptance of our Bid if we fail to execute an Agreement as prescribed in the Tender Documents or commence the execution of the works as provided in the Tender Documents, we shall become liable for forfeiture of the Earnest Money Deposit. In

such an event you shall, without prejudice to any other right or remedy, be at liberty to forfeit the Earnest Money Deposit absolutely and take other actions as per terms & conditions of the contract.

6. We certify that the Bid submitted by us is strictly in accordance with the terms, conditions, specifications etc. as contained in the Tender Documents, and it is further certified that it does not contain any deviations to the aforesaid documents.
7. The bid is made with the full understanding that:-
 - a) Bids by qualified bidders will be subject to verification of all information submitted for qualification at the time of bidding
 - b) PURCHASER reserves the right to:
 - (i) Amend the scope and value of any work bid under this tender.
 - (ii) Reject or accept any application, cancel the tender process and reject all bidders by giving a written notice.
8. PURCHASER shall not be liable for any actions taken under (b) i and ii above.
9. We undertake, if our bid is accepted, and on receipt of the work order to commence the works and to complete and deliver the whole of works comprised in the contract within the period stated and in compliance with the tender documents.
10. If our bid is accepted, we will furnish Performance Security Deposit as per terms & conditions mentioned in DNIT.
11. We understand that you are not bound to accept the lowest or any bid you may receive.
12. All the major items like module, pump sets etc. should be indigenously made.
13. We are capable of executing and completing the work as required in the tender.
14. We accept all risks and responsibilities directly or indirectly connected with the performance of the tender.
15. We have no collusion with other Bidder, any employee of HAREDA or with any other person or firm in the preparation of the bid.
16. We have not been influenced by any statement or promises of HAREDA or any of its employees, but only by the tender document.
17. We are financially solvent and sound to execute the work.
18. We have sufficient experience and competent to perform the contract to the satisfaction of HAREDA.
19. We are familiar with all general and special laws, acts, ordinances, rules and regulations of the Municipal, District, State and Central Government that may affect the work, its performance or personnel employed therein.
20. Our company has never been debarred from similar type of work by HAREDA and or

any of the Government undertaking/Department.

21. We assure to execute the tendered work as per specifications, terms and conditions of the contract. If awarded to us.
22. The undersigned declare that the statements made and the information provided in the Bid including the completed applications and formats are complete, true, and correct in all aspects.

We have gone through carefully all the Bid conditions and solemnly declare that we will abide by any penal action such as disqualification or blacklisting or termination of contract or any other action deemed fit, taken by, the Department/HAREDA against us, if it is found that the statements, documents, certificates produced by us are false / fabricated.

DECLARATION BY THE BIDDER REGARDING QUALIFICATIONS

In relation to my/our Bid submitted to Haryana Renewable Energy Development Agency for procurement of 3/5/7.5/10 HP Solar Water Pumping System ON RATE CONTRACT, in response to their Notice Inviting Bids No. HAREDA/2018-19/SPV WATER PUMPING SYSTEMS/01, I/we hereby declare that:

1. I/we possess the necessary professional, technical, financial and managerial resources and competence required by the Bidding Document issued by the Procuring Entity;
2. I/we have fulfilled my/our obligation to pay such of the taxes payable to the Union and the State Government or any local authority as specified in the Bidding Document;
3. I/we are not insolvent, in receivership, bankrupt or being wound up, not have my/our affairs administered by a court or a judicial officer, not have my/our business activities suspended and not the subject of legal proceedings for any of the foregoing reasons;
4. I/we do not have, and our directors and officers not have, been convicted of any criminal offence related to my/our professional conduct or the making of false statements or misrepresentations as to my/our qualifications to enter into a procurement contract within a period of three years preceding the commencement of this procurement process, or not have been otherwise disqualified pursuant to debarment proceedings;
5. I/we do not have a conflict of interest as specified in the Act, Rules and the Bidding Document, which materially affects fair competition;

BRIEF DETAILS OF THE BIDDER:

The brief details of the bidder should be filled in by the bidder as under:

S. No.	Particulars required:	Details
1.	Name of Bidder firm:	
2.	Postal Address	
3.	Telephone, Telex, Fax No	
4.	E-mail	
5.	Website	
6.	Name & designation of the authorized signatory to whom reference shall be made	
7.	Registration Number :	
8.	Date of Registration :	
9.	Registered Address with	
10.	Tel. Number :	
11.	Address of Manufacturing unit with Tel. Number :	
12.	Present activities/business of the firm i. Module Manufacturer ii. PCU manufacturer iii. Solar PV Cell manufacturer iv. Pump manufacturer v. Pump charge Controller manufacturer vi. System integrator vii. Any other	
13.	Name of Directors of Company (at least Two directors with email IDs & contact Numbers):	(1) (2)
14.	GST Registration Number	
15.	Year from which firm is in business in New & Renewable Energy Technology : Major Area (Name of States) of working remained till date :	
16.	Technical Officers/Engineers and other officers/officials working in the company: (attach name and qualification of each person to be deployed in execution of work)	(1) Technical Persons (Nos.)....., (2) Other officers/officials(Nos.).....,
17.	Have the contractor/firm to pay arrears of income tax? If yes up to what amount?	
18.	Have the contractor/firm ever been debarred by any Govt. Deptt. /Undertaking for undertaking any work?	

19.	Type of organization	
20.	PAN No.	
21.	Banker Details of the Bidder for RTGS / Direct Transfer of payments, if any 1- Name of firm 2- Bank Account Number 3- IFSC Code 4- Name of Bank 5- Bank address	
22.	Name of the any close/near relative working in New & Renewable Energy Department, Haryana or HAREDA (Name, Designation, Place of Posting, Relationship)	
23.	Whether , the bidder is Haryana based any one of the following : (i) Manufacturing Small Enterprises (including Khadi & Village Industries) (ii) Manufacturing Micro Enterprises (including Khadi & Village Industries) (iii) Manufacturing Medium Enterprises (including Khadi & Village Industries) (iv) Startup/ First Generation Entrepreneurs Please specify	
24.	In case of JV/Consortium, please provide the details of partner firms and their share	1. 2. 3.
25.	Any other information	

Date

(Signature of Bidder)
With Seal

NOTE:

For JV/Consortium the details of each partner shall be provided in the said format and also, upload the agreement of JV/Consortium.

STRUCTURE AND ORGANIZATION INFORMATION

1. The Bidder is
 - a) a proprietary firm
 - b) a firm in member ship
 - c) a Limited Company or Corporation / Government undertaking
 - d) a Manufacturing Haryana based Small Enterprise
 - e) a Manufacturing Haryana based Micro Enterprise
 - f) a Manufacturing Haryana based Medium Enterprise
 - g) a Startups/first Generation Entrepreneurs
 - h) a Central/ State PSU
 - i) Any other (please specify)

2. For how many years has your Organization been in business of similar & relevant work under its present name?

3. Were you ever required to suspend contract for a period of more than six months continuously after you started? If so, give the name of project(s) and reasons thereof.

4. Have you ever left the work awarded to you incomplete? (If so, give name of project and reasons for not completing work.)

5. Attach an Organization Chart showing the structure of the company/association, including the names of the Directors and position of officers.

BID CAPACITY INFORMATION

(To be submitted on letter head of Bidder)

To

The Director,
Haryana Renewable Energy Development Agency,
Panchkula (Haryana),

Subject: **Rate Contract for design, supply, installation and commissioning including warranty & maintenance for 5 years for 3HP/5HP/7.5HP/10HP Solar Water Pumping System in the Haryana.**

Sir/ Madam,

We hereby submit the following information w.r.t. to our offer for the rate contract for design, manufacture, supply, installation, testing and commissioning including 5 years warranty for 3HP/5HP/7.5HP/10HP Solar Water Pumping System in the Haryana:

S. No.	Particulars required:	Quantity Quoted (Nos.) (A)	Estimated Cost as per DNIT (Rs.) (B)	Total Estimated Value (Rs.) C=(A*B)
1.	3 HP (DC, Surface type)		235000	
	3 HP (DC, Submersible)		235000	
	3 HP (AC, Submersible)		235000	
	5 HP (DC, Submersible)		333000	
	5 HP (AC, Submersible)		333000	
	7.5 HP (DC, Submersible)		478000	
	7.5 HP (AC, Submersible)		478000	
	10 HP (DC, Submersible)		610000	
	10 HP (AC, Submersible)		610000	
	TOTAL		----	
2.	Total monthly established capacity for supply, installation & commissioning of the system/ plant (in nos.)			
3.	Place & State of billing			

We solemnly declare that we will abide by any penal action such as disqualification or black listing or termination of contract or any other action deemed fit, taken by, the Nodal agency against us, if it is found that the statements, documents, certificates produced by us are false / fabricated.

(Signature of the Bidder)
(Seal)

Note: If a bidder does not want to quote for a particular capacity pump(s), then ZERO (0) quantity may be quoted and the same would be considered that the firm has not offered the bid for the said capacity pump.

FORMAT- V

Information in support of meeting essential eligibility conditions regarding average annual turnover of the bidder in last three financial year ending on 31st March, 2018

Name of Bidder:

Annual turnover data for last three years ending on 31 st March 2018		
S. No.	Year	Turnover (<u>Rs. in Crores</u>)
1	2	3
1.	2015-16
