SECTION 2. INSTRUCTION TO BIDDERS

	A. GENERAL PROVIS	IONS	
1.	Introduction	1.1	Bidders shall adhere to all the requirements of this RFP, including any amendments in writing by ISA.
		1.2	Any Proposal submitted will be regarded as an offer by the Bidder and does not constitute or imply the acceptance of the Proposal by ISA. ISA is under no obligation to award a contract to any Bidder as a result of this RFP.
2.	Fraud & Corruption, Gifts and Hospitality	2.1	ISA strictly enforces a policy of zero tolerance on proscribed practices, including fraud, corruption, collusion, unethical or unprofessional practices, and obstruction of ISA vendors and requires all bidders/vendors observe the highest standard of ethics during the procurement process and contract implementation.
		2.2	Bidders/vendors shall not offer gifts or hospitality of any kind to ISA staff members including recreational trips to sporting or cultural events, theme parks or offers of holidays, transportation, or invitations to extravagant lunches or dinners.
		2.3	In pursuance of this policy, ISA (a) Shall reject a proposal if it determines that the selected bidder has engaged in any corrupt or fraudulent practices in competing for the contract in question;
			(b) Shall declare a vendor ineligible, either indefinitely or for a stated period of time, to be awarded a contract if at any time it determines that the vendor has engaged in any corrupt or fraudulent practices in competing for, or in executing a ISA contract.
		2.4	All Bidders must adhere to the UN Supplier Code of Conduct, which may be found at: <u>https://www.un.org/Depts/ptd/sites/www.un.org.Depts.ptd/files/files/attachment/page/pdf/unscc/conduct_english.pdf</u>
3.	Eligibility	3.1	A vendor should not be suspended, debarred, or otherwise identified as ineligible by any Government, UN Organization or the World Bank Group or any other international Organization. Vendors are therefore required to disclose to ISA whether they are subject to any sanction or temporary suspension imposed by these organizations.
		3.2	It is the Bidder's responsibility to ensure that its employees, joint venture members, sub-contractors, service providers, suppliers and/or their employees meet the eligibility requirements as established by ISA.
4.	Conflict of Interests	4.1	Bidders must strictly avoid conflicts with other assignments or their own interests, and act without consideration for future work. Bidders found to have a conflict of interest shall be disqualified. Without limitation on the generality of the above, Bidders, and any of their affiliates, shall be considered to have a conflict of interest with one or more parties in this solicitation process, if they:
			a) Are or have been associated in the past, with a firm or any of its affiliates which have been engaged by ISA to provide services for the preparation of the design, specifications, Terms of Reference, cost analysis/estimation, and other documents to be used for the procurement of the goods and services in this selection process;
			b) Were involved in the preparation and/or design of the programme/project related to the services requested under this RFP; or
			c) Are found to be in conflict for any other reason, as may be established by, or at the discretion of ISA.

		4.2	In the event of any uncertainty in the interpretation of a potential conflict of interest, Bidders must disclose to ISA, and seek ISA' s confirmation on whether or not such a conflict exists.
		4.3	Similarly, the Bidders must disclose in their proposal their knowledge of the following:
			 a) If the owners, part-owners, officers, directors, controlling shareholders, of the bidding entity or key personnel are family members of ISA staff involved in the procurement functions and/or the Government of the country or any Implementing Partner receiving services under this RFP; and b) All other circumstances that could potentially lead to actual or perceived conflict of interest, collusion or unfair competition practices.
			Failure to disclose such an information may result in the rejection of the proposal or proposals affected by the non-disclosure.
		4.4	The eligibility of Bidders that are wholly or partly owned by the Government shall be subject to ISA's further evaluation and review of various factors such as being registered, operated and managed as an independent business entity, the extent of Government ownership/share, receipt of subsidies, mandate and access to information in relation to this RFP, among others. Conditions that may lead to undue advantage against other Bidders may result in the eventual rejection of the Proposal.
	B. PREPARATION OF	PROP	POSALS
5.	General Considerations	5.1	In preparing the Proposal, the Bidder is expected to examine the RFP in detail. Material deficiencies in providing the information requested in the RFP may result in rejection of the Proposal.
		5.2	The Bidder will not be permitted to take advantage of any errors or omissions in the RFP. Should such errors or omissions be discovered, the Bidder must notify the ISA
6.	Cost of Preparation of Proposal	6.1	The Bidder shall bear any and all costs related to the preparation and/or submission of the Proposal, regardless of whether its Proposal was selected or not. ISA shall not be responsible or liable for those costs, regardless of the conduct or outcome of the procurement process.
7.	Language	7.1	The Proposal, as well as any and all related correspondence exchanged by the Bidder and ISA, shall be written in the language (s) specified in the BDS.
8.	Documents	8.1	The Proposal shall comprise of the following documents:
	Comprising the Proposal		 a) Documents Establishing the Eligibility and Qualifications of the Bidder; b) Technical Proposal; c) Financial Proposal; d) Proposal Security, if required by BDS; e) Any attachments and/or appendices to the Proposal.
9.	Documents Establishing the Eligibility and Qualifications of the Bidder	9.1	The Bidder shall furnish documentary evidence of its status as an eligible and qualified vendor, using the Forms provided under Section 6 and providing documents required in those forms. In order to award a contract to a Bidder, its qualifications must be documented to ISA's satisfaction.
10.	Technical Proposal Format and	10.1	The Bidder is required to submit a Technical Proposal using the Standard Forms and templates provided in Section 6 of the RFP.
	Content	10.2	The Technical Proposal shall not include any price or financial information. A Technical Proposal containing material financial information may be declared

	non-responsive.
11. Financial Proposals	11.1 The Financial Proposal shall be prepared using the Standard Form provided in Section 6 of the RFP. It shall list all major cost components associated with the services, and the detailed breakdown of such costs. This document shall not be used for evaluation/selection.
	11.2 Any output and activities described in the Technical Proposal but not priced in the Financial Proposal, shall be assumed to be included in the prices of other activities or items, as well as in the final total price.
	11.3 Prices and other financial information must not be disclosed in any other place except in the financial proposal.
12. Proposal Security	12.1 A Proposal Security, if required by BDS, shall be provided in the amount and form indicated in the BDS. The Proposal Security shall be valid up to thirty (30) days after the final date of validity of the Proposal.
	12.2 The Proposal Security shall be included along with the Technical Proposal. In Proposal Security is required by the RFP but is not found along with the Technical Proposal, the Proposal shall be rejected.
	12.3 If the Proposal Security amount or its validity period is found to be less than what is required by ISA, ISA shall reject the Proposal.
	12.4 In the event an electronic submission is allowed in the BDS, Bidders shall include a copy of the Bid Security in their proposal and the original of the Proposa Security must be sent via courier or hand delivery as per the instructions in BDS
	12.5 The Proposal Security may be forfeited by ISA, and the Proposal rejected, in the event of any one or combination, of the following conditions:
	 a) If the Bidder withdraws its offer during the period of the Proposal Validity specified in the BDS, or;
	 b) In the event that the successful Bidder fails to: I. sign the Contract after ISA has issued an award; or II. furnish the Performance Security, insurances, or other documents that ISA may require as a condition precedent to the effectivity of the contract that may be awarded to the Bidder.
13. Currencies	13.1 All prices shall be quoted in the currency or currencies indicated in the BDS Where Proposals are quoted in different currencies, for the purposes of comparison of all Proposals:
	 a) ISA will convert the currency quoted in the Proposal into the ISA preferred currency, in accordance with the prevailing UN operational rate of exchange on the last day of submission of Proposals; and
	b) In the event that ISA selects a proposal for award that is quoted in a currency different from the preferred currency in the BDS, ISA shall reserve the right to award the contract in the currency of ISA's preference, using the conversion method specified above.
14. Joint Venture, Consortium or Association	14.1 If the Bidder is a group of legal entities that will form or have formed a Joint Venture (JV), Consortium or Association for the Proposal, they shall confirm in their Proposal that : (i) they have designated one party to act as a lead entity duly vested with authority to legally bind the members of the JV, Consortium or Association jointly and severally, which shall be evidenced by a duly notarized Agreement among the legal entities, and submitted with the Proposal; and (ii) if they are awarded the contract, the contract shall be entered into, by and between ISA and the designated lead entity, who shall be acting for and or behalf of all the member entities comprising the joint venture.

		represent the JV, Consortium or Association shall not be altered without the prior written consent of ISA.
	14.3	The lead entity and the member entities of the JV, Consortium or Association shall abide by the provisions of Clause 9 herein in respect of submitting only one proposal.
	14.4	The description of the organization of the JV, Consortium or Association must clearly define the expected role of each of the entity in the joint venture in delivering the requirements of the RFP, both in the Proposal and the JV, Consortium or Association Agreement. All entities that comprise the JV, Consortium or Association shall be subject to the eligibility and qualification assessment by ISA.
	14.5	A JV, Consortium or Association in presenting its track record and experience should clearly differentiate between:
		 a) Those that were undertaken together by the JV, Consortium or Association; and b) Those that were undertaken by the individual entities of the JV, Consortium or Association.
	14.6	Previous contracts completed by individual experts working privately but who are permanently or were temporarily associated with any of the member firms cannot be claimed as the experience of the JV, Consortium or Association or those of its members, but should only be claimed by the individual experts themselves in their presentation of their individual credentials.
	14.7	JV, Consortium or Associations are encouraged for high value, multi-sectoral requirements when the spectrum of expertise and resources required may not be available within one firm.
15. Only One Proposal	15.1	The Bidder (including the individual members of any Joint Venture) shall submit only one Proposal, either in its own name or as part of a Joint Venture.
	15.2	 Proposals submitted by two (2) or more Bidders shall all be rejected if they are found to have any of the following: a) they have at least one controlling partner, director or shareholder in common; or b) any one of them receive or have received any direct or indirect subsidy from the other/s; or c) they have the same legal representative for purposes of this RFP; or d) they have a relationship with each other, directly or through common third parties, that puts them in a position to have access to information about, or influence on the Proposal of, another Bidder regarding this RFP process; e) they are subcontractors to each other's Proposal, or a subcontractor to one Proposal also submits another Proposal under its name as lead Bidder; or f) some key personnel proposed to be in the team of one Bidder participates in more than one Proposal received for this RFP process. This condition relating to the personnel, does not apply to subcontractors being included in more than one Proposal.
16. Proposal Validity Period	16.1	Proposals shall remain valid for the period specified in the BDS, commencing on the Deadline for Submission of Proposals. A Proposal valid for a shorter period may be rejected by ISA and rendered non-responsive.
	16.2	During the Proposal validity period, the Bidder shall maintain its original Proposal without any change, including the availability of the Key Personnel, the proposed rates and the total price.
17. Extension of Proposal Validity	17.1	In exceptional circumstances, prior to the expiration of the proposal validity period, ISA may request Bidders to extend the period of validity of their Proposals. The request and the responses shall be made in writing, and shall be

Period	considered integral to the Proposal.
	17.2 If the Bidder agrees to extend the validity of its Proposal, it shall be done without any change in the original Proposal.
	17.3 The Bidder has the right to refuse to extend the validity of its Proposal, and in which case, such Proposal will not be further evaluated.
18. Clarification of Proposal	18.1 Bidders may request clarifications on any of the RFP documents no later than the date indicated in the BDS. Any request for clarification must be sent in writing in the manner indicated in the BDS. If inquiries are sent other than specified channel, even if they are sent to an ISA staff member, ISA shall have no obligation to respond or confirm that the query was officially received.
	18.2 ISA will provide the responses to clarifications through the method specified in the BDS.
	18.3 ISA shall endeavor to provide responses to clarifications in an expeditious manner, but any delay in such response shall not cause an obligation on the part of ISA to extend the submission date of the Proposals, unless ISA deems that such an extension is justified and necessary.
19. Amendment of Proposals	19.1 At any time prior to the deadline of Proposal submission, ISA may for any reason, such as in response to a clarification requested by a Bidder, modify the RFP in the form of an amendment to the RFP. Amendments will be made available to all prospective bidders.
	19.2 If the amendment is substantial, ISA may extend the Deadline for submission of proposal to give the Bidders reasonable time to incorporate the amendment into their Proposals.
20. Alternative Proposals	20.1 Unless otherwise specified in the BDS, alternative proposals shall not be considered. If submission of alternative proposal is allowed by BDS, a Bidder may submit an alternative proposal, but only if it also submits a proposal conforming to the RFP requirements. ISA shall only consider the alternative proposal offered by the Bidder whose conforming proposal ranked the highest as per the specified evaluation method. Where the conditions for its acceptance are met, or justifications are clearly established, ISA reserves the right to award a contract based on an alternative proposal.
	20.2 If multiple/alternative proposals are being submitted, they must be clearly marked as "Main Proposal" and "Alternative Proposal"
21. Pre-Bid Conference	21.1 When appropriate, a Bidder's conference will be conducted at the date, time and location specified in the BDS. All Bidders are encouraged to attend. Non-attendance, however, shall not result in disqualification of an interested Bidder. Minutes of the Bidder's conference will be disseminated on the procurement website. No verbal statement made during the conference shall modify the terms and conditions of the RFP, unless specifically incorporated in the Minutes of the Bidder's Conference or issued/posted as an amendment to RFP.
	D OPENING OF PROPOSALS

22. Submission	22.1 The Bidder shall submit a duly signed and complete Proposal comprising the documents and forms in accordance with the requirements in the BDS. The submission shall be in the manner specified in the BDS.
	22.2 The Proposal shall be signed by the Bidder or person(s) duly authorized to commit the Bidder. The authorization shall be communicated through a document evidencing such authorization issued by the legal representative of the bidding entity, or a Power of Attorney, accompanying the Proposal.
	22.3 Bidders must be aware that the mere act of submission of a Proposal, in and of itself, implies that the Bidder fully accepts the ISA General Contract Terms and Conditions.
Hard copy (manual) submission	22.4 Hard copy (manual), if allowed or specified in the BDS, submission by courier or hand delivery allowed or specified in the BDS shall be governed as follows:
	a) The signed Proposal shall be marked "Original", and its copies marked "Copy" as appropriate. The number of copies is indicated in the BDS. All copies shall be made from the signed original only. If there are discrepancies between the original and the copies, the original shall prevail.
	b) The Technical Proposal and the Financial Proposal envelopes MUST BE COMPLETELY SEPARATE and each of them must be submitted sealed individually and clearly marked on the outside as either "TECHNICAL PROPOSAL" or "FINANCIAL PROPOSAL", as appropriate. Each envelope SHALL clearly indicate the name of the Bidder. The outer envelopes shall:
	i. Bear the name and address of the bidder;
	ii. Be addressed to ISA as specified in the BDS
	iii. Bear a warning that states "Not to be opened before the time and date for proposal opening" as specified in the BDS.
	If the envelopes and packages with the Proposal are not sealed and marked as required, ISA shall assume no responsibility for the misplacement, loss, or premature opening of the Proposal.
Email Submission	22.5 Email submission shall be governed as follows:a) Electronic files that form part of the proposal must be in accordance with the format and requirements indicated in BDS;
	b) The Technical Proposal and the Financial Proposal files MUST BE COMPLETELY SEPARATE. The financial proposal shall be encrypted with different passwords and clearly labelled. The files must be sent to the dedicated email address specified in the BDS.
	c) The password for opening the Financial Proposal should be provided only upon request of ISA. The ISA Secretariat will request password only from bidders whose Technical Proposal has been found to be technically responsive. Failure to provide correct password may result in the proposal being rejected.
23. Deadline for Submission of Proposals and Late	23.1 Complete Proposals must be received by ISA in the manner, and no later than the date and time, specified in the BDS. ISA shall only recognize the date and time that the bid was received by ISA
Proposals	23.2 ISA shall not consider any Proposal that is submitted after the deadline for the submission of Proposals.
24. Withdrawal, Substitution, and	24.1 A Bidder may withdraw, substitute or modify its Proposal after it has been submitted at any time prior to the deadline for submission.
,	

	24.3	representative, and shall include a copy of the authorization (or a Power of Attorney). The corresponding substitution or modification of the Proposal, if any, must accompany the respective written notice. All notices must be submitted in the same manner as specified for submission of proposals, by clearly marking them as "WITHDRAWAL" "SUBSTITUTION," or "MODIFICATION" Proposals requested to be withdrawn shall be returned unopened to the Bidders (only for manual submissions), except if the bid is withdrawn after the bid has
		been opened
25. Proposal Opening	25.1	There is no public bid opening for RFPs. ISA shall open the Proposals in the presence of an ad-hoc committee formed by ISA, consisting of at least two (2) members.
D. EVALUATION OF	PROPC	DSALS
26. Confidentiality	26.1	Information relating to the examination, evaluation, and comparison of Proposals, and the recommendation of contract award, shall not be disclosed to Bidders or any other persons not officially concerned with such process, even after publication of the contract award.
	26.2	Any effort by a Bidder or anyone on behalf of the Bidder to influence ISA in the examination, evaluation and comparison of the Proposals or contract award decisions may, at ISA's decision, result in the rejection of its Proposal and may be subject to the application of prevailing ISA vendor sanctions procedures.
27. Evaluation of Proposals	27.1	The Bidder is not permitted to alter or modify its Proposal in any way after the proposal submission deadline except as permitted under Clause 24 of this RFP. ISA will conduct the evaluation solely on the basis of the submitted Technical and Financial Proposals.
	27.2	 Evaluation of proposals is made of the following steps: a) Preliminary Examination b) Minimum Eligibility and Qualification (if pre-qualification is not done) c) Evaluation of Technical Proposals d) Evaluation of Financial Proposals
28. Preliminary Examination	28.1	ISA shall examine the Proposals to determine whether they are complete with respect to minimum documentary requirements, whether the documents have been properly signed, and whether the Proposals are generally in order, among other indicators that may be used at this stage. ISA reserves the right to reject any Proposal at this stage.
29. Evaluation of Eligibility and Qualification	29.1	Eligibility and Qualification of the Bidder will be evaluated against the Minimum Eligibility/Qualification requirements specified in the Section 4 (Evaluation Criteria).
	29.2	 In general terms, vendors that meet the following criteria may be considered qualified: a) They are not included in the UN Security Council 1267/1989 Committee's list of terrorists and terrorist financiers. b) They have a good financial standing and have access to adequate financial resources to perform the contract and all existing commercial commitments, c) They have the necessary similar experience, technical expertise, production capacity where applicable, quality certifications, quality assurance procedures and other resources applicable to the provision of the services required; d) They are able to comply fully with ISA General Terms and Conditions of Contract; e) They do not have a consistent history of court/arbitral award decisions against the Bidder; and

	f) They have a record of timely and satisfactory performance with their clients.
30. Evaluation of Technical and Financial Proposals	30.1 The evaluation team shall review and evaluate the Technical Proposals on the basis of their responsiveness to the Terms of Reference and other RFP documents, applying the evaluation criteria, sub-criteria, and point system specified in the Section 4 (Evaluation Criteria). A Proposal shall be rendered non-responsive at the technical evaluation stage if it fails to achieve the minimum technical score indicated in the BDS. When necessary and if stated in the BDS, ISA may invite technically responsive bidders for a presentation related to their technical proposals. The conditions for the presentation shall be provided in the bid document where required.
	30.2 In the second stage, only the Financial Proposals of those Bidders who achieve the minimum technical score will be opened for evaluation. The Financial Proposals corresponding to Technical Proposals that were rendered non- responsive shall remain unopened, and, in the case of manual submission, be returned to the Bidder unopened. For emailed Proposals submissions, ISA will not request for the password of the Financial Proposals of bidders whose Technical Proposal were found not responsive.
	30.3 The evaluation method that applies for this RFP shall be as indicated in the BDS, which may be either of two (2) possible methods, as follows: (a) the lowest priced method which selects the lowest evaluated financial proposal of the technically responsive Bidders; or (b) the combined scoring method which will be based on a combination of the technical and financial score.
	30.4 When the BDS specifies a combined scoring method, the formula for the rating of the Proposals will be as follows:
	Rating the Technical Proposal (TP):
	TP Rating = (Total Score Obtained by the Offer / Max. Obtainable Score for TP) x 100
	Rating the Financial Proposal (FP):
	FP Rating = (Lowest Priced Offer / Price of the Offer Being Reviewed) x 100
	Total Combined Score:
	Combined Score = (TP Rating) x (Weight of TP, e.g. 70%) + (FP Rating) x (Weight of FP, e.g., 30%)
31. Due Diligence	31.1 ISA reserves the right to undertake a due diligence exercise, also called post qualification, aimed at determining to its satisfaction, the validity of the information provided by the Bidder. Such exercise shall be fully documented and may include, but need not be limited to, all or any combination of the following:
	a) Verification of accuracy, correctness and authenticity of information provided by the Bidder;
	b) Validation of extent of compliance to the RFP requirements and evaluation
	 criteria based on what has so far been found by the evaluation team; c) Inquiry and reference checking with Government entities with jurisdiction on the Bidder, or with previous clients, or any other entity that may have done business with the Bidder;
	 Inquiry and reference checking with previous clients on the performance on on-going or contracts completed, including physical inspections of
	previous works, as necessary;e) Physical inspection of the Bidder's offices, branches or other places where

		business transpires, with or without notice to the Bidder; f) Other means that ISA may deem appropriate, at any stage within the
		selection process, prior to awarding the contract.
32. Clarification of Proposals	32.1	To assist in the examination, evaluation and comparison of Proposals, ISA may at its discretion, ask any Bidder for a clarification of its Proposal.
	32.2	ISA's request for clarification and the response shall be in writing and no change in the prices or substance of the Proposal shall be sought, offered, or permitted except to provide clarification, and confirm the correction of any arithmetic errors discovered by ISA in the evaluation of the Proposals, in accordance with RFP.
	32.3	Any unsolicited clarification submitted by a Bidder in respect to its Proposal which is not a response to a request by ISA, shall not be considered during the review and evaluation of the Proposals.
33. Responsiveness of Proposal	33.1	ISA's determination of a Proposal's responsiveness will be based on the contents of the Proposal itself. A substantially responsive Proposal is one that conforms to all the terms, conditions, TOR and other requirements of the RFP without material deviation, reservation, or omission.
	33.2	If a Proposal is not substantially responsive, it shall be rejected by ISA and may not subsequently be made responsive by the Bidder by correction of the materia deviation, reservation, or omission.
34. Nonconformities, Reparable Errors and Omissions	34.1	Provided that a Proposal is substantially responsive, ISA may waive any non conformities or omissions in the Proposal that, in the opinion of ISA, do no constitute a material deviation.
	34.2	ISA may request the Bidder to submit the necessary information of documentation, within a reasonable period of time, to rectify nonmaterial nonconformities or omissions in the Proposal related to documentation requirements. Such omission shall not be related to any aspect of the price of the Proposal. Failure of the Bidder to comply with the request may result in the rejection of its Proposal.
	34.3	For Financial Proposal that has been opened, ISA shall check and correct arithmetical errors. if there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail.
	34.4	If the Bidder does not accept the correction of errors made by ISA, its Proposa shall be rejected.
E. AWARD OF CON	TRACT	
35. Right to Accept, Reject, Any or All Proposals	35.1	ISA reserves the right to accept or reject any Proposal, to render any or all of the Proposals as non-responsive, and to reject all Proposals at any time prior to award of contract, without incurring any liability, or obligation to inform the affected Bidder(s) of the grounds for ISA's action. ISA shall not be obliged to award the contract to the lowest priced offer.
36. Award Criteria	36.1	Prior to expiration of the proposal validity, ISA shall award the contract to the qualified Bidder based on the award criteria indicated in the BDS.
37. Debriefing	37.1	In the event that a Bidder is unsuccessful, the Bidder may request a debriefing from ISA. The content of other proposals and how they compare to the Bidder's submission shall not be discussed.
38. Right to Vary Requirements at the Time of Award	38.1	At the time of award of Contract, ISA reserves the right to vary the quantity o services and/or goods, by up to a maximum twenty-five per cent (25%) of the total offer, without any change in the terms and conditions.
	1	

39. Contract Signature	39.1 Within fifteen (15) days from the date of receipt of the Contract, the successful Bidder shall sign and date the Contract and return it to ISA. SECTION 5. TERMS OF REFERENCE

BACKGROUND:

As part of its first international overseas programme ISA had organized International Conference and Expo "**ISA-PER-LAC World Renewable Energy Meet and Expo (SUN World) 2019**" in Lima on 12-14th November 2019, which was resounding success. The Event had participation of over 8,900 over 3-days. More than 100 Speakers of International repute shared their views and exchanged the ideas with receptive audience. In order to take the initiative further it is proposed to organize SUN WORLD Events in ISA Member countries in coming years. The Aim and broad framework of the Event are summarized below:

2. AIM:

The Conference aims at exploring new concepts & technologies in the Solar Energy while being ecofriendly and ensuring sustainable development besides mobilizing USD 1,000 Billion for investment in solar projects across ISA member countries. The Conference will have the participation of senior most decision makers from the Government of Host Country and other participating countries, International Industry leaders, Project developers, Distribution and Transmission companies, Regulators, Financial Institutions, Investors and lenders, Consulting firms, Equipment suppliers, Environmental groups and various International players.

3. CONTEXT:

keeping in view the COVID-19 pandemic conditions, health hazards and travel restrictions around the world it has now been decided to defer organization of SUN WORLD 2020 earlier proposed in Egypt in physical format and switch over to organize the same on digital platform (Virtually). Accordingly, the ISA Secretariat invites proposals from Professional Event Organizers/ companies active in and capable of development, implementation and management of an interactive IT platform to conduct all activities, meetings (G2G, G2B, B2B & B2C), conferences and exposition for holding above proposed events in **Virtual Format**.

4. **Objectives of the SUN WORLD 2020 (Virtual):**

- a) To restore the linkages in the global Solar Industry value chain by stepping up through induction of Next-Gen Technologies and Innovations to face the challenges that COVID 19 grave situation has posed, adversely affecting the Solar Industry. The Virtual SUN WORLD 2020 Conference & Exposition to be hosted by ISA Secretariat in partnership with identified country will reaffirm global Solar dialogue and new networking ways with a clear focus on new challenges and putting up projects in ISA member countries. The effort is being made to prop up economic recovery models, to reflect on technological, financial and systemic innovations, alongside generating business leads through SUN WORLD Virtual conference & exposition market place, one of its kind, in the time of slow down and deterioration.
- b) It is expected that global economic stimulus packages being developed by various Governments across the world to revitalize their respective economy after the acute Covid-19 crisis will be geared towards technologies of the future.
- c) To reduce Carbon footprint and template productive and outcome bound future engagements.
- d) To enable stakeholders from across the ISA Member Countries to engage with each other through a suite of virtual applications for interactions at all levels, including virtual meetings (G2G, G2B and B2B, B2G and B2C), panel discussions, high level plenaries, Presentations, Keynote addresses and Exposition.

e) To showcase Renewable Energy equipment, products, new technologies, innovations and issues relating to Climate change, environment and the importance of the Solar for Socio-economic development and Sustainable Energy for All.

5. FORMAT:

The International Conference would consist of two components: Conference with associated Satellite Events and Exposition (All Virtual):

- a) The Conference Programme consists of Plenary Sessions and Business conferences. It would spread over to various sessions and would have variety of formats, ranging from opening and closing plenary sessions, Ministerial Plenaries, industry leading speakers' Technical Sessions on New Technologies, plus sessions on markets, industry, financing and Government policies. It would have workshops, discussions, keynote speeches, multimedia presentations, public lectures, debates, hands-on experiences etc.
- b) The Exhibition would provide an opportunity for a variety of organizations and companies to showcase New Technologies, Innovations, Research & Developments taking place in Solar Energy besides equipment, new launches etc. It would feature renewable energy technology suppliers, system integrators, financiers, professional services firms, end users, utility companies, educational institutions, non-profit organizations, associations, government agencies, foreign governments and economic missions and other exhibitors.

 - a. stop work as specified in the notice; and
 - b. take all available steps to minimize loss resulting from that termination.

6.11 Force Majeure

The Bidder shall not be liable for forfeiture of its performance security, liquidated damages, or termination for default if and to the extent that it's delays in performance or other failure to perform its obligations under the Contract is the result of an event of Force Majeure.

For purposes of this clause, "Force Majeure" means no failure, delay or default in performance of any obligation hereunder shall constitute an event of default or a breach of the CONTRACT, to the extent that such failure to perform, delay or default arises out of a cause existing or future, that is beyond the control and without negligence of the party otherwise chargeable with failure, delay or default: including, but not limited action or inaction of governmental, civil or military authority: fire, strike, lockout or other labour dispute, flood, war, riot, theft, earthquake, natural disaster, act, negligence or default of the other party. Either party desiring to rely upon any of the foregoing as excuse for failure, default or delay in performance shall, when the cause arises, give to the other party prompt notice in writing of the facts which constitute such cause and when the cause ceases to exist, give prompt notice thereof to the other party.

If a Force Majeure situation arises, the Contractor shall promptly notify the International Solar Alliance in writing of such condition and the cause thereof. Unless otherwise directed by the International Solar Alliance in writing, the Bidder shall continue to perform its obligations under the Contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.

6.12 **Resolution of Disputes**

- The International Solar Alliance and the Bidder/ Contractor shall make every effort to resolve amicably by direct informal discussion/ negotiation any disagreement or dispute arising out of or in connection with the Contract or related thereto, whether directly or indirectly or the breach, termination, enforcement, interpretation or validity thereof, including the determination of scope or applicability the Contract.
- 2) A dispute within the meaning of this clause exists once one Party notifies the other in writing of the nature of the dispute and requires the resolution of the dispute in terms of this clause.
- 3) Within 10 (ten) business days following such notification, the Parties shall seek an amicable resolution to such dispute by referring such dispute to designated representatives of each of the parties for their negotiation and resolution of the dispute. The representatives shall be authorized to resolve the dispute.
- 4) In the event of the negotiation between the designated representatives not resulting in an agreement or resolution of the dispute within 10 (ten) business days thereafter, the Parties must refer the dispute for resolution to the Director General, ISA by way of mediation.
- 5) The periods of negotiation or discussion may be shortened or lengthened by written agreement between the parties.
- 6) The decision given by the Director General, ISA shall be final and binding on both Parties.
- 7) Important: No conflict between the Bidder and ISA will cause cessation of activities/ services and work on the project will continue uninterrupted till conclusion of the Conference. Only by mutual consent the services will be withdrawn or work stopped.
- 8) ISA reserves the exclusive right to make any amendments/ changes to or cancel any of the above actions or any other action related to this Request for Proposal.

6.13 Governing Language

The contract shall be written in English. All correspondence and other documents pertaining to the contract, which are exchanged by the parties, shall be written in same language.

6.14 Notices

- I. Any notice, request or other communication to be given or served pursuant to the Contract Agreement shall be in writing and addressed as the case may be as follows:
 - a) if given to the ISA, addressed and forwarded to the authorized officer for this project in the ISA;
 - b) If given by the ISA, signed by the authorized Officer for this project in the ISA and forwarded to the Contractor at the address indicated at the commencement of the contract or as otherwise notified by the Contractor.
- II. Any such notice, request or other communication shall be delivered by hand or sent by prepaid post, facsimile or E-mail, to the address of the party to which it is sent. If sent by Facsimile or E-mail a signed copy of same shall be sent by Registered/Speed Post.
- III. A notice will be deemed to be served:
 - (a) where delivered by hand, on the day of delivery;
 - (b) where sent by post, 3 working days following receipt by the postal authority; and
 - (c) where sent by facsimile/ E-mail on the next working day, provided that a clear transmission report is obtained.

6.15 **Taxes and Duties**

The bidder shall be entirely responsible for payment of all taxes, duties, license fee, octroi, road permits or any other dues arising out of this proposed assignment.

FORM E: FORMAT OF TECHNICAL PROPOSAL

Name of Bidder:	[Insert Name of Bidder]	Date:	Select date
RFP reference:	[Insert RFP Reference Number]		

The Bidder's proposal should be organized to follow this format of Technical Proposal. Where the bidder is presented with a requirement or asked to use a specific approach, the bidder must not only state its acceptance, but also describe how it intends to comply with the requirements. Where a descriptive response is requested, failure to provide the same will be viewed as non-responsive.

SECTION 1: Bidder's qualification, capacity and expertise

- 1.1 Brief description of the organization, including the year and country of incorporation, and types of activities undertaken.
- 1.2 General organizational capability which is likely to affect implementation: management structure, financial stability and project financing capacity, project management controls, extent to which any work would be subcontracted (if so, provide details).
- 1.3 Relevance of specialized knowledge and experience on similar engagements done in the region/country.
- 1.4 Quality assurance procedures and risk mitigation measures.
- 1.5 Organization's commitment to sustainability.

SECTION 2: Proposed Methodology, Approach and Implementation Plan

This section should demonstrate the bidder's responsiveness to the TOR by identifying the specific components proposed, addressing the requirements, providing a detailed description of the essential performance characteristics proposed and demonstrating how the proposed approach and methodology meets or exceeds the requirements. All important aspects should be addressed in sufficient detail and different components of the project should be adequately weighted relative to one another.

- 2.1 A detailed description of the approach and methodology for how the Bidder will achieve the Terms of Reference of the project, keeping in mind the appropriateness to local conditions and project environment. Details how the different service elements shall be organized, controlled and delivered.
- 2.2 The methodology shall also include details of the Bidder's internal technical and quality assurance review mechanisms.
- 2.3 Explain whether any work would be subcontracted, to whom, how much percentage of the work, the rationale for such, and the roles of the proposed sub-contractors and how everyone will function as a team.
- 2.4 Description of available performance monitoring and evaluation mechanisms and tools; how they shall be adopted and used for a specific requirement.
- 2.5 Implementation plan including a Gantt Chart or Project Schedule indicating the detailed sequence of activities that will be undertaken and their corresponding timing.
- 2.6 Demonstrate how you plan to integrate sustainability measures in the execution of the contract.
- 2.7 Any other comments or information regarding the project approach and methodology that will be adopted.

SECTION 2A: Bidder's Comments and Suggestions on the Terms of Reference

Provide comments and suggestions on the Terms of Reference, or additional services that will be rendered beyond the requirements of the TOR, if any.

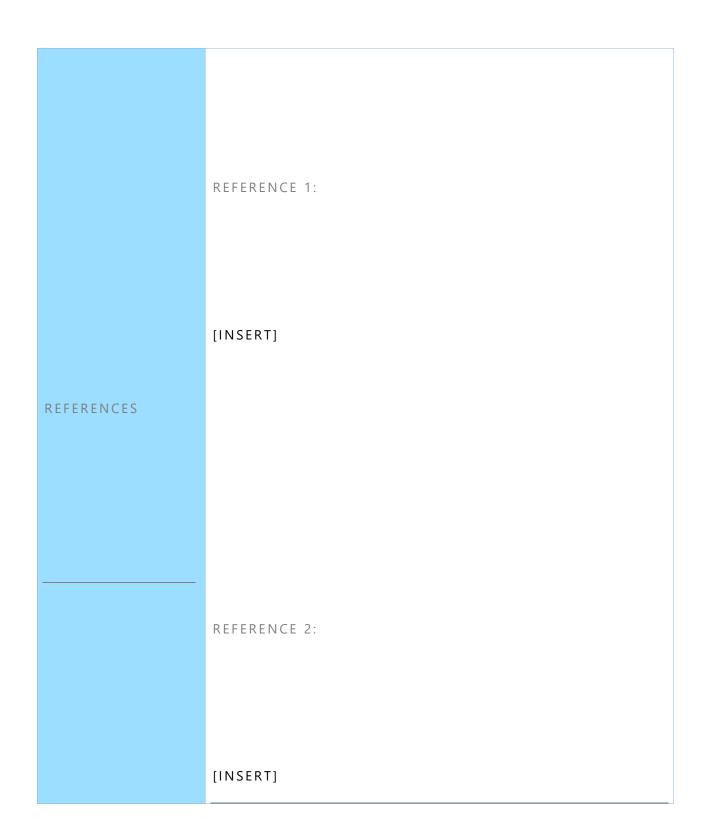

SECTION 3: Management Structure and Key Personnel

- 3.1 Describe the overall management approach toward planning and implementing the project. Include an organization chart for the management of the project describing the relationship of key positions and designations. Provide a spreadsheet to show the activities of each personnel and the time allocated for his/her involvement.
- 3.2 Provide CVs for key personnel that will be provided to support the implementation of this project using the format below. Also, names of other panel of experts to be part of the project should also be included in the proposal. CVs should demonstrate qualifications in areas relevant to the Scope of Services.
