

Chief of Unit, Resource Mobilisation (P4)

Do you see yourself spearheading the pivotal decade of clean energy transition, through mobilising investments and financing? Do you envision unlocking resources that lock in emissions for decades to come??? ... then read on ...

Your New Organisation

The International Solar Alliance (ISA) is an international organisation, co-founded by France and India. The ISA is a 110 member-state organisation, headquartered in Gurgaon, National Capital Region of India. At ISA, we strive to transition and transform the energy sector from fossil based to a zero-carbon solar energy source. We are establishing a dedicated platform of cooperation among solar rich countries where the global community, including bilateral and multilateral organizations, corporates, industry, and other stakeholders, can make a positive contribution to the solar energy transition. We are helping our Member States meet their energy needs in a safe, convenient, affordable, equitable and sustainable manner.

Your New Role

Reporting to the Assistant Director-General (Programs) or a designated officer, this role will lead a team of professionals - International and National Officers. The Chief will provide expert advice, develop policies, and lead resource mobilization and fund-raising efforts. S/he will lead the financing, and capital/investment flows that will meet ISA's mandates in implementing solar projects/initiatives.

Your Broader Scope of Work (but not limited to)

- Increase Investments and Capital flows toward Solar
- Raise Funds to develop people's skills training, research, and innovation (solar power)
- Improve global access to Solar Components and Raw Materials (Solar Energy Transition)
- Relationship and Partnership Management
- Supervise and manage the staff of the service.

Education

Advanced university degree (Masters degree or equivalent) in Engineering, Economics, Business Administration, Management including Energy Management, Public Administration, or a related discipline required.

What you will need to succeed

A minimum of 10 years of relevant professional work experience at a P4 level in the management of multilateral fund-raising activities at a major international organization, multilateral development financial organisations/private sector groups within the solar/renewable segment or an international and/national NGO is required.

Preference will be given to candidates who have between three to five years of relevant international experience in fund-raising from international public and private sources.

Experience in trust fund management is also preferred.

Languages

The role demands substantial writing and verbal communications skills. As English is the official and working language of the Organization, excellent command of both written and spoken English is required. Knowledge of other languages (i.e., French, Spanish and Arabic) would be an advantage.

Your Place of Work (if successful with the recruitment process)

The Chief of Resource Mobilisation will be based out of the Secretariat of the ISA, Gurgaon, Haryana State, India, on a full-time basis (2-year term, with a possibility of extension, as per ISA Rules & Regulations).

Your pay and benefits

The ISA offers a competitive remuneration package (salary and benefits) based on the UN Common System; ISA aims to become an employer of choice. Consequently, ISA offers competitive salary and benefits.

At ISA, we value a diverse, inclusive workforce and provide an equal employment opportunity for all our employees and applicants. We will consider all qualified applicants without regarding an individual's race, colour, gender/gender expression/orientation, and religion.

The ISA seeks to obtain and retain a staff reflecting its geographical representation and diversity and as such, primarily prefers and recruits staff from its member countries.
