Corrigendum

**Subject: Amendment in Eligibility Criteria laid in the RFQ for “ Monitoring & Evaluation Agency to support International Solar Alliance (ISA)”**

With reference to Request for Quotation (RFQ) dated **14 November 2022** for Support to the ISA Secretariat “**Monitoring & Evaluation Agency to support International Solar Alliance (ISA)**”, all prospective Bidders are hereby informed that the **International Solar Alliance has amended the Eligibility Criteria laid in the RFQ:**

**Please read Eligibility Criteria on page-3 under Relevant Experience point-3 as:**

**“interested agencies, even if they don’t have experience in renewable energy and associated calculations, should at least have the capability to do secondary research and propose a suitable method for these calculations”**

Instead of

**“The organization should have strong understanding of the renewable energy sector, especially, in terms of methodologies for calculating CO2 emissions reduction, direct jobs created, investments mobilized etc”**

Amendments in tender document will be uploaded in the website, if required.

This corrigendum shall form an integral part of the Amended EOI document. All other terms & conditions of the EOI document remain unchanged.
