

SOLARX STARTUP CHALLENGE 2024

SolarX Startup Challenge aims to crowdsource implementable, cost-effective, scalable and innovative solutions to some of the persistent challenges faced by the solar energy sector. The first edition of the challenge was focused on the African region, aiming to promote innovation and discover local solutions, with the overarching objective of capacity-building of stakeholders across the globe, and the next edition of the challenge will be focused on the Asia-Pacific (APAC) Region, aiming at building the solar energy sector in the region along with promoting startup and innovation culture in the local ecosystems.
